Morisot Diary:

Morisot's Modernism and Impressionist Art Claire Moran, 2025-09-29 This volume seeks to reframe French Impressionist painter Berthe Morisot 1841-95 in the history of art via a focus on the spaces and people that informed her work and thereby offers a new interpretation of Impressionism and of modernist aesthetics. Claire Moran utilizes close visual analyses of artworks in particular those of family friends, domestic servants and acquaintances; textual analysis of Morisot's journals and letters; investigation of late nineteenth-century advice manuals, magazines and advertisements in relation to Morisot's life and work; examination of housing floor plans and gardens; and the study of specific household objects that recur in her work and their history. This multi-pronged method of analysis grounded in Morisot's lived experience will allow a new understanding of Morisot's art to emerge, one with the potential to not only highlight the modernity of her aesthetics but also question both public and critical assumptions about Impressionism. The book will be of interest to scholars working in art history, gender studies, French studies and history of design.

Critical Readings in Impressionism and Post-Impressionism Mary Tompkins Lewis, 2023-12-22 The essays in this wide-ranging, beautifully illustrated volume capture the theoretical range and scholarly rigor of recent criticism that has fundamentally transformed the study of French Impressionist and Post-Impressionist art. Readers are invited to consider the profound issues and penetrating questions that lie beneath this perennially popular body of work as the contributors examine the art world of late nineteenth-century France, including detailed looks at Monet, Manet, Pissarro, Degas, Cézanne, Morisot, Seurat, Van Gogh and Gauguin. The authors offer fascinating new perspectives, placing the artworks from this period in wider social and historical contexts. They explore these painters' pictorial and market strategies, the critical reception and modern criteria, the paintings engendered and the movement's historic role in the formation of an avant-garde tradition. Their research reflects the wealth of new documents, critical approaches and scholarly exhibitions that have fundamentally altered our understanding of Impressionism and Post-Impressionism. These essays, several of which have previously been familiar only to scholars, provide instructive models of in-depth critical analysis and of the competing art historical methods that have crucially reshaped the field. Contributors: Carol Armstrong, T. J. Clark, Stephen F. Eisenman, Tamar Garb, Nicholas Green, Robert L. Herbert, John House, Mary Tompkins Lewis, Michel Melot, Linda Nochlin, Richard Shiff, Debora Silverman, Paul Tucker, Martha Ward.

Dawn of the Belle Époque Mary McAuliffe, 2011-05-16 A humiliating military defeat by Bismarck's Germany, a brutal siege and a bloody uprising: Paris in 1871 was a shambles and the question loomed: Could this extraordinary city even survive? With the addition of an evocative new preface, Mary McAuliffe takes the reader back to these perilous years following the abrupt collapse of the Second Empire and France's uncertain venture into the Third Republic. By 1900 Paris had recovered and the Belle Époque was in full flower, but the decades between were difficult, marked by struggles between republicans and monarchists, the Republic and the Church, and an ongoing economic malaise darkened by a rising tide of virulent anti-Semitism. Yet these same years also witnessed an

extraordinary blossoming in art literature poetry and music with the Parisian cultural scene dramatically upended by revolutionaries such as Monet Zola Rodin and Debussy even while Gustave Eiffel was challenging architectural tradition with his iconic tower Through the eyes of these pioneers and others including Sarah Bernhardt Georges Clemenceau Marie Curie and C sar Ritz we witness their struggles with the forces of tradition during the final years of a century hurtling towards its close Through rich illustrations and vivid narrative McAuliffe brings this vibrant and seminal era to life Impressionists Side by Side Barbara Ehrlich White,1996 White looks at the personal and professional relationships between eight artists Degas Manet Monet Renoir C zanne Pissarro Morisot and Cassatt Body, Space, and Place in Collective and Collaborative Drawing Helen Gørrill,Jill Journeaux,Sara Reed,2020-01-15 Building on the success of the first volume in this series of research on collective and collaborative drawing this book s key themes are linked through the concepts of body space and place The location of the body in art has always been central but the exploration of it here in relation to place and space uncovers a wide range of exciting and different contexts relationships and materials Space is examined through the practice and theorisation of drawing through the ongoing artistic practices of the authors and the writings of Berger and Derrida in relation to making viewing and understanding the drawing process Place is examined through unique approaches to considering drawing through multiple consecutive and site specific places through place as a changing and temporal site and through the idea of the non place The contributors in this volume include academics artists dancers researchers designers and architects from across the globe **Dictionary of Artists' Models** Jill Berk Jiminez,2013-10-15 The first reference work devoted to their lives and roles this book provides information on some 200 artists models from the Renaissance to the present day Most entries are illustrated and consist of a brief biography selected works in which the model appears with location a list of further reading This will prove an invaluable reference work for art historians librarians museum and gallery curators as well as students and researchers **Growing Up with the Impressionists** Julie Manet,2017-08-24 Julie Manet the niece of Edouard Manet and the daughter of the most famous female Impressionist artist Berthe Morisot was born in Paris on 14 November 1878 into a wealthy and cultured milieu at the height of the Impressionist era Many young girls still confide their inner thoughts to diaries and it is hardly surprising that with her mother giving all her encouragement Julie would prove to be no exception to the rule At the age of ten Julie began writing her memoirs but it wasn t until August 1893 at fourteen that Julie began her diary in earnest no neat leather bound volume with lock and key but just untidy notes scribbled in old exercise books often in pencil the presentation as spontaneous as its contents Her extraordinary diary newly translated here by an expert on Impressionism reveals a vivid depiction of a vital period in France s cultural history seen through the youthful and precocious eyes of the youngest member of what was surely the most prominent artistic family of the time **Manet and the Family Romance** Nancy Locke,2001 douard Manet s paintings have long been recognized for being visually compelling and uniquely recalcitrant While critics have noted the presence of family members and intimates in

paintings such as *Le Déjeuner sur l'herbe* Nancy Locke takes an unprecedented look at the significance of the artist's family relationships for his art Locke argues that a kind of mythology of the family or Freudian family romance frequently structures Manet's compositional decisions and choice of models By looking at the representation of the family as a volatile mechanism for the development of sexuality and of repression conflict and desire Locke brings powerful new interpretations to some of Manet's most complex works Locke considers for example the impact of a father-son drama rooted in a closely guarded family secret the adultery of Manet's father and the status of Léon Leenhoff Her nuanced exploration of the implications of this story that Manet in fact married his father's mistress makes us look afresh at even well-known paintings such as *Olympia* This book sheds new light on Manet's infamous interest in gypsies street musicians and itinerants as Locke analyzes the activities of Manet's father as a civil judge She also reexamines the close friendship between Manet and the Impressionist painter Berthe Morisot who married Manet's brother Morisot becomes the subject of a series of meditations on the elusiveness of the self the transience of identity and conflicting concerns with appearances and respectability Manet and the Family Romance offers an entirely new set of arguments about the cultural forces that shaped these alluring paintings
