Mormon Missionaries An Inside Look At Their Real Message And Methods:

The Mormon Missionaries Janis Hutchinson,1995 A presentation of the various techniques and strategies used by Mormon missionaries Based on the author s firsthand experience in Mormonism *The Mormon Illusion* Floyd C. McElveen,1985 Revised and expanded edition This classic work on Mormonism has more than 135 000 copies in print

Man of Holiness: The Mormon Search for a Personal God John L. Bracht,2010-07-11 Serious efforts to understand Mormonism in a non confrontational non polemical way are few and far between In this book the author John Bracht has drawn together a multitude of LDS sources in order to demonstrate differences between Mormonism and traditional Christian views on the nature of God and the Godhead **The Devil's Alphabet** Kurt E. Koch, Formerly entitled Devil s Alphabet this work provides a review of 47 forms of occult superstition magic fortune telling and spiritism *The Mormon Mirage* Latayne C. Scott,2010-08-03 In the first edition of *The Mormon Mirage* Latayne C Scott shared her remarkable journey out of Mormonism as she uncovered shocking inaccuracies inconsistencies and contradictions in the faith she had loved and lived Thirty years later Mormonism and Mormon scholarship have evolved with the times In this third revised and updated edition of her well known book Scott keeps pace with changes and advances in Mormonism and reveals formidable new challenges to its claims and teachings *The Mormon Mirage* provides fascinating carefully documented insights into DNA research s withering implications for the Book of Mormon the impact of new revelations on Latter day Saint LDS race relations new findings about Mormon history increasing publicity about LDS splinter groups particularly polygamous ones recent disavowals of long held doctrines by church leadership the rise of Mormon apologetics on the Internet More than a riveting insider s scrutiny of the Mormon faith this book is a testimony to the trustworthiness of Scripture and the grace of Jesus Christ American Book Publishing Record ,2006 *Baptist Bulletin* ,1996 Women and Missions ,1924 **The Epworth Herald** ,1906 *Believing History* Richard Lyman Bushman,2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book s ambivalence toward republican

government explores the culture of the Lamanites the enemies of the favored people and traces the book's fascination with records translation and history Yet *Believing History* also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world *Believing History* offers many surprises Believers will learn that Joseph Smith is more than an icon and non-believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman's arguments he provides us with a provocative and open look at a believing historian studying his own faith **Home Mission Monthly**, 1915

Mormonism To-day and Its Remedy John Danforth Nutting, 1927 **Missions** Howard Benjamin Grose, 1928 **The Routledge Handbook of Research Methods in the Study of Religion** Steven Engler, Michael Stausberg, 2013-06-17 This is the first comprehensive survey in English of research methods in the field of religious studies It is designed to enable non-specialists and students at upper undergraduate and graduate levels to understand the variety of research methods used in the field The aim is to create awareness of the relevant methods currently available and to stimulate an active interest in exploring unfamiliar methods encouraging their use in research and enabling students and scholars to evaluate academic work with reference to methodological issues A distinguished team of contributors cover a broad spectrum of topics from research ethics hermeneutics and interviewing to Internet research and video analysis Each chapter covers practical issues and challenges the theoretical basis of the respective method and the way it has been used in religious studies illustrated by case studies **Sealed** Katie Langston, 2021-04-06 Katie Langston is an unlikely convert to Christianity She grew up in a devout conservative Mormon family in Utah served a proselytizing mission to Bulgaria when she was 21 married for time and all eternity in the Mormon temple when she was 23 From the outside she had a typical Mormon life Inside she was coming apart at the seams From childhood she battled The Questions obsessive compulsive disorder though she didn't have a diagnosis for it until much later and lived inside a complex maze of anxiety and fear This was compounded by Mormonism's emphasis on worthiness a designation of acceptability in Mormon practice that brought her to the edge of despair as a young mother Then almost by accident she had an encounter with the grace of Jesus Christ and her world changed In candid but not sensationalized ways Langston explores little understood Mormon practices and teachings while grappling with universal human questions such as the nature of faith the complexity of family the process of healing and what it means to truly belong This book is intended to be a bridge builder a way to help non-Mormons understand Mormonism and Mormons orthodox Christianity through the power of personal narrative Most of all it is a testimony of Jesus Christ in the hopes that those who read it Mormon Christian or neither will catch a glimpse of the spectacular life-changing grace of God **The Interior**, 1905 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement **Talking Doctrine** Richard J. Mouw, Robert L. Millet, 2015-07-09 A group of Mormon and evangelical scholars undertook a remarkable journey over fifteen years to discuss differences and investigate possible common ground in their beliefs With both candor and generosity these essays reflect the

thoughtful respectful and nuanced engagements on some of the most controversial topics that have inflamed passions in the past
