Mormon Mirage:

The Mormon Mirage Latayne C. Scott, 2009 Three decades after leaving the Mormon faith Latayne Colvett Scott looks back to her original journey out of Mormonism and the reasons why she left Revised and updated this third edition of *The Mormon Mirage* presents both a fascinating inside look at Mormonism and new and formidable evidence against its claims and teachings *The Mormon Mirage* Latayne Colvett Scott, 1979-01-01 *The Mormon Mirage* Latayne C.

Scott, 1982-01-01 A former Mormon now Christian compares the beliefs of Mormonism and Christianity and explains why she converted *Man of Holiness: The Mormon Search for a Personal God* John L. Bracht, 2010-07-11 Serious efforts to understand Mormonism in a non confrontational non polemical way are few and far between In this book the author John Bracht has drawn together a multitude of LDS sources in order to demonstrate differences between Mormonism and traditional Christian views on the nature of God and the Godhead *Breaking the Mormon Code* Matthew A.

Paulson, 2000-09 In Provo Utah there exists the Foundation for Ancient Research and Mormon Studies FARMS renowned as a Mormon think tank FARMS is owned and operated by Brigham Young University BYU and the Mormon Church Their mission seeks to repudiate the opposition applaud its supporters and justify many peculiar Mormon doctrines This book demonstrates that FARMS often twists the truths to justify Mormon doctrines To justify their position they often will utilize inane accusations misquotes and equivocation This collection of deceit from Mormon scholarship is what Matt Paulson has identified as the breaking of the Mormon Code *Another Gospel* Ruth A. Tucker, 2004 Ruth A Tucker s book is a comprehensive survey of all the major alternative religions in the United States including the new groups since the 1960s

Almost a Mormon Adam Dommeyer, 2018-05-03 One family vacation to Utah back in 2002 changed Adams entire summer One Mormon girl in his 9th grade English class altered his path over the following year One book changed his outlook on faith One true church had him hooked Suddenly one unexpected dream from God transformed the course of his entire life Join Adam on his quest from Mormonism to the one true Faith Christianity and youll soon realize your own story is about to unfold before your very eyes Youre about to meet and encounter the One True God *It's Time* Cindy Prince, 2013-09 Does it really make a difference to God how we worship Him Do you think He cares Is there a way to know for sure Should evidence matter when we re walking by faith Is the God who created the universe still in the business of changing lives It s Time is the story that answers Yes to all of the above It is the journey of a family of seven devoted to a religion they loved and had no intention of ever leaving but God had other plans Dive in and discover how God opens the door scoops them up and redirects their path how the Spirit uses everything from casual conversations to major life events to reveal His truth and guide their journey how He uses seeds that had been planted long before the day He said It s time and how He repeatedly answers the prayers they dared not express in the way that only He could have known their hearts needed leading them to the grace of His unconditional love Let it encourage enlighten and remind you that we serve a mighty

God He cares He calls and He has given us everything we need to respond through His Word and His Spirit and He doesn't stop there Trust in the Lord with all thine heart and lean not unto thine own understanding In all thy ways acknowledge him and he shall direct thy paths Proverbs 3 5 6

Mormon Hermeneutics Jeffrey S. Krohn, 2022-05-13 Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient horizon of the biblical text Any interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics

Scoffing at Scripture Frank Bolger Kelly, 2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world's major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world's priestly and virtually allmale elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly's intent is to facilitate critical analysis of the world's holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world's major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance

[What Do Mormons Really Believe](#) John Ankerberg, John Weldon, 2011-08-01 Mormons say they are Christians but are they Do they believe in the same Bible the same

God and the same Jesus that Christians follow This book answers these questions and more Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Did Joseph Smith ever give false prophecies The meaning of terms Mormons use as well as their views on the Bible reveal the huge chasm between what Mormons and Christians believe This book will help you share the truth with Mormons that come to your door [Convicting the Mormons](#) Janiece Johnson,2023-04-06 On September 11 1857 a small band of Mormons led by John D Lee massacred an emigrant train of men women and children heading west at Mountain Meadows Utah News of the Mountain Meadows Massacre as it became known sent shockwaves through the western frontier of the United States reaching the nation s capital and eventually crossing the Atlantic In the years prior to the massacre Americans dubbed the Church of Jesus Christ of Latter day Saints the Mormon problem as it garnered national attention for its unusual theocracy and practice of polygamy In the aftermath of the massacre many Americans viewed Mormonism as a real religious and physical threat to white civilization Putting the Mormon Church on trial for its crimes against American purity became more important than prosecuting those responsible for the slaughter Religious historian Janiece Johnson analyzes how sensational media attention used the story of the Mountain Meadows Massacre to enflame public sentiment and provoke legal action against Latter day Saints Ministers novelists entertainers cartoonists and federal officials followed suit spreading anti Mormon sentiment to collectively convict the Mormon religion itself This troubling episode in American religious history sheds important light on the role of media and popular culture in provoking religious intolerance that continues to resonate in the present *Leaving Mormonism* Corey Miller,Lynn K. Wilder,2017-11-28 The growing popular perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens **Everything You Ever Wanted to Know About Mormonism** John Ankerberg,John Weldon,2019-11-13 This definitive work covers every aspect of the history beliefs and practices of Mormonism Answers the crucial questions How Did Mormonism Begin Are Mormon Revelations from God How Powerful Is the Mormon Church Today Is Mormonism a Christian Religion What Is the Mormon View of Christianity What Is the Mormon View of Jesus Christ What Does the Mormon Church Teach Concerning Salvation What Does the Mormon Church Believe About the Afterlife Were Early

Mormon Leaders Practitioners of the Occult This book comprehensively traces the roots of Mormonism and examines all of its major doctrines *Can Mitt Romney Serve Two Masters?* Tricia Erickson, 2011 Mitt Romney is both a participant and victim of the Mormon Religion Mormonism is a well masked cult that enslaves the minds of those raised in it Did you know that Mitt Romney truly believes when he leaves this earth he will become a literal God equal to Jesus Christ and be awarded his own planet to Lord over Mitt will call his wife Ann onto his planet in order to have continuous celestial sex to populate it with spirit babies who will then pop down be reborn to earthy mothers in order to walk out their own eternal progression to Mormon Godhood This is not a joke How can we trust the judgment of someone who truly believes these things And it is important for you to know that Senator Romney MUST follow the false prophet of the Mormon Church first above all else and blindly obey him In addition Part 2 of this book reveals the astounding truth of Mitt Romney s liberal political record and why his background is better suited to the Democrat Party Romney will be a thorn in President Trump s side for the duration of his Presidency Mitt will do everything he can to destroy Trump from within while elevating himself at every turn all the while planning another future run for the OFFICE OF THE PRESIDENCY OF THE UNITED STATES OF AMERICA *Getting at Jesus* Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus **House of Faith House of Cards** Eric N. Davis, 2010-05-21 Concise Vivid Honest Dan Barker critically acclaimed author of *Godless* and *Losing Faith in Faith* Brutally honest insightful and compelling storytelling Lyndon Lamborn author of *Standing for Something More* When a young couple searched for clues connecting them to a famous ancestor their journey led them on a path they never expected converting to Mormonism *House of Faith House of Cards* tells the turbulent life story of their son Eric including all the typical Mormon experiences and some extraordinary episodes no Mormon will ever encounter He participated with family members in his first secret temple ritual normally reserved for adults at the age of four only to be excluded from a similar ceremony involving his family thirteen years later In 1857 a company of 120 immigrants set out from a small Arkansas town toward California In a tragic twist of fate they never reached their destination While encamped in southern Utah local Mormons and Paiute Indians launched an ambush brutally slaughtering the group in what became known as the Mountain Meadows massacre 125 years later Eric would be raised as a Mormon in the same Arkansas community where this wagon train initially departed There he learned just how much some people still despised that faith While training for and serving a church mission in Canada in the mid 1990s Eric shared a room and became acquainted with a fellow missionary named Mark Hacking Less than a decade later when the disappearance and murder of Hacking s wife became highly publicized several international media outlets approached Eric searching for any juicy detail of the man s

troubled past These stories are just the tip of the iceberg So What's the Difference? Fritz Ridenour,2001-03-02 So What s the Difference has been revised and updated for the 21st Century to help Christians better understand their own beliefs A classic first released in 1967 this revision takes a current look at the answer to the question How does orthodox biblical Christianity differ from other faiths In a straightforward objective comparison Fritz Ridenour explores and explains the basic tenets of 20 worldviews religions and faiths including Judaism Islam Hinduism Buddhism Jehovah s Witnesses Christian Science New Age and Mormonism Children of Darkness and Light Lori Hellis,2024-09-24 In this gripping work of true crime a criminal lawyer takes readers inside the notorious Lori Vallow case and the devastating doomsday murders A blonde beauty queen missing children six suspicious deaths and the twisted Mormon doomsday writings of her fifth husband are only the beginning of a tragic crime saga that gripped Americans and instigated frantic searches all over the country It all started when Lori Vallow met Chad Daybell at a doomsday prepper event Their story grew like a wildfire that creates its own weather and what happened next will shock even the most experienced true crime reader Clinging to and manipulating one another Lori Vallow and Chad Daybell believed the return of Jesus Christ was imminent and that God had chosen them to lead the 144 000 and usher in the new millennium When the people closest to them began dying it became clear they would stop at nothing to be together and fulfill their mission When the bodies of Lori s missing children J J and Tylee were discovered in Chad s backyard the strange and complex story of their fundamentalist Mormon beliefs were revealed in all their true horror Author Lori Hellis a retired criminal lawyer had just moved to Arizona when news of J J and Tylee s disappearance broke and there were reports about these missing children that linked them to a neighboring community She began to follow the case closely trying to understand this perfect storm of people and circumstances that culminated in the death of innocents In Children of Darkness and Light Hellis digs deep into the investigation trial and verdict to craft a haunting narrative that illuminates one of the most confounding crimes in recent memory **Unveiling Grace** Lynn K. Wilder,2013-08-20 A gripping story of how an entire family deeply enmeshed in Mormonism for thirty years found their way out and found faith in Jesus Christ For thirty years Lynn Wilder once a tenured faculty member at Brigham Young University and her family lived in loved and promoted the Mormon Church Then their son Micah serving his Mormon mission in Florida had a revelation God knew him personally God loved him And the Mormon Church did not offer the true gospel Micah s conversion to Christ put the family in a tailspin They wondered Have we believed the wrong thing for decades If we leave Mormonism what does this mean for our safety jobs and relationships Is Christianity all that different from Mormonism anyway As Lynn tells her story of abandoning the deception of Mormonism to receive God s grace she gives a rare look into Mormon culture what it means to grow up Mormon and why the contrasts between Mormonism and Christianity make all the difference in the world Whether you are in the Mormon Church are curious about Mormonism or simply are looking for a gripping story Unveiling Grace will strengthen your faith in the true God who loves you no matter what
