feeble and his mother must feel very melancholy sitting by her little stand knitting away in solitude with the piano never open and neither of her older children about to amuse or assist her As this picture came up vividly to his fancy the tears rushed into his eyes and he felt that his heart was not hardened that it had come out of the ordeal the same hopeful generous and affectionate heart as before sadder calmer not quite so confiding but not ruined by any means He longed for quiet as earnestly as he had hitherto for the opposite The city with its strangely mingled crowds its complicated business its lawless habits grew disgusting to him he wished for peace and the sight of lovely refined women Suddenly he remembered that it was the time for the post office to be opened there had a mail arrived and the distribution was to take place at about five o'clock there might be a letter from home or from Margaret Dear Margaret he had not heard from her in months not directly from her since he came away Tender memories of their childhood thronged about him she seemed to him too to be in some kind of trouble to need him to call him and he

Baring Witness Holly Welker, 2016-08-15 In Baring Witness Holly Welker and thirty six Mormon women write about devotion and love and luck about the wonder of discovery and about the journeys both thorny and magical to humor grace and contentment They speak to a diversity of life experiences what happens when one partner rejects Church teachings marrying

outside one's faith the pain of divorce and widowhood the horrors of spousal abuse the hard journey from visions of an idealized marriage to the everyday truth sexuality within Mormon marriage how the pressure to find a husband shapes young women's actions and sense of self and the ways Mormon belief and culture can influence second marriages and same sex unions The result is an unflinching look at the earthly realities of an institution central to Mormon life **Secrets and Wives** Sanjiv Bhattacharya,2013-07-01 What do we really know about modern practicing polygamists not fictional ones like the Henrickson family on HBO's Big Love We've seen the Fundamentalist Church of Jesus Christ of Latter Day Saints in the news the underage brides in pioneer dresses on a Texas ranch But the FLDS is just one of many groups that have broken with mainstream Mormonism to follow those parts of Joseph Smith's doctrine disavowed by the LDS Church Gaining unprecedented access to these communities journalist Sanjiv Bhattacharya reveals a shadow country teeming with small town messiahs dark secrets and stories both heartbreaking and strange Polygamy's dark side incest forced marriages and physical abuse is laid bare But Bhattacharya also finds warmth in the fundamentalist diaspora and even finds himself taking an ideological stand for polygamy's legalization More than just an expose of Mormon polygamy Secrets and Wives is the personal journey of a foreign atheist and liberal a stranger in a strange land who grapples with hard questions about marriage monogamy and the very nature of faith The Women of Mormondom Edward William Tullidge,1877 **Mormon Wives** Metta Victoria Fuller Victor,2014-01-08 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Mormon Wives A Narrative Of Facts Stranger Than Fiction Metta Victoria Fuller Victor Derby Jackson 1856 Mormons *Exposé of Polygamy* Fanny Stenhouse,2009-06-25 After the 1872 publication of Expos Fanny Stenhouse became a celebrity in the cultural wars between Mormons and much of America An English convert she had grown disillusioned with the Mormon Church and polygamy which her husband practiced before associating with a circle of dissident Utah intellectuals and merchants Stenhouse's critique of plural marriage Brigham Young and Mormonism was also a sympathetic look at Utah's people and honest recounting of her life She later created a new edition titled Tell It All which ensured her notoriety in Utah and popularity elsewhere but turned her thoughtful memoir into a more polemical true expos of Polygamy Since 1874 it has stayed in print in multiple varying editions The original book meanwhile is less known though more readable Tracing the literary history of Stenhouse's important piece of Americana Linda DeSimone rescues an important autobiographical and historical record from the baggage notoriety
