Morning Poems:

Morning Poems Robert Bly, 2009-10-06 *Morning Poems* is a sensational collection Robert Bly's best in many years. Inspired by the example of William Stafford Bly decided to embark on the project of writing a daily poem. Every morning he would stay in bed until he had completed the day's work. These little adventures in morning, as he calls them, address classic poetic subjects: childhood, the seasons, death, and heaven in a way that capitalizes fully on the pun in the book's title. These are morning poems full of the delight and mystery of waking in a new day, and they also do their share of mourning, elegizing the deaths and capturing the moment of sorrow before creation. Some of the poems are dialogues where unconventional speakers include mice, maple trees, bundles of grain, the body, the oldest mind, and the soul. A particularly moving sequence involves Bly's imaginative transactions with a great and unlikely precursor, Wallace Stevens. The whole is a fascinating and original book from one of our most fascinating authors. David Lehman

Good Morning and Good Night David Wagoner, 2010-10-01 By continually discovering what's new in each day without forgetting yesterday's surprises, David Wagoner has succeeded in constantly expanding his range in a career that spans more than fifty years. In *Good Morning and Good Night*, this range includes his usual rich forays into nature and personalities and poetry for all ages, young and old, amidst a vivid array of memories and explorations. Readers will find homages to the poets that have inspired him as well as the bountiful lyricism that has made Wagoner's poetry one of our most enduring sources of delight and joy. *Good Morning and Good Night* features poems previously published in *American Poetry Review*, *The American Scholar*, *Atlantic Monthly*, *Hudson Review*, *The Kenyon Review*, *New Letters*, *The New Republic*, *Poetry*, *Shenandoah*, *Southern Review*, *The Yale Review*, and other leading literary journals.

Wake Up, Sleepy Head! Mandy Ross, 2004 Contains over thirty illustrated poems about animals waking up and enjoying early morning activities.

Some Glad Morning Barbara Crooker, 2019-10-01 *Some Glad Morning* Barbara Crooker's ninth book of poetry teeters between joy and despair, faith and doubt, the disconnect between lived experience and the written word. Primarily a lyric poet, Crooker is in love with the beauty and mystery of the natural world, even as she recognizes its fragility. But she is also a poet unafraid to write about the consequences of our politics, the great divide. She writes as well about art with ekphrastic poems on paintings by Hopper, O'Keeffe, Renoir, Matisse, Cézanne, and others. Many of the poems are elegiac in tone, an older writer tallying up her losses. Her work embodies Bruce Springsteen's dictum: it ain't no sin to be glad we're alive, as she celebrates the explosion of spring peonies, chocolate mousse, a good martini, hummingbirds, flashy metallics, the pewter light of September, Darryl Dawkins, late NBA star, saltine crackers. While she recognizes it might all be about to slip away, Remember that nothing is ever lost, she writes, and somehow we do.

Wake-up Calls Wanda Phipps, 2004 A collection of Wanda Phipps's best poems from her writing project in which she wrote every day right after she awoke. *Wake Up Calls* is a fascinating reflection of the many different moods a person can have in the morning and a very personal glimpse into the author's life. She was moving into a new home at the time Phipps explores issues of

identity and self with a freshness of voice and imagery fortuitously captured in the state between dreaming and fully waking up

Poems of Massachusetts Jeffrey Lant, 2018-10-19 'Tis an epic ode to the Bay State from pilgrims to Poe in thirty multi-stanzaed installments. Some of those within these verses are celebrated, while others are skewered with stiletto worldly wit. For those who savor this saucy synopsis, any other history of Massachusetts will be a spiceless ordeal.
