Library of Congress. Copyright Office, 1946 Textile World, 1920 *Textile World Journal*, 1920 **Edward Burne-Jones on Nature** Liana De Girolami Cheney, 2021-05-21 This volume studies some of Edward Burne Jones s paintings focusing specifically on his approach to nature both through his observations about the real physical world and through his symbolic interpretations of earthly and celestial realms Burne Jones s appreciation for natural formations grew from his interests in astronomy and geography and was expanded by his aesthetic sensibility for physical and metaphysical beauty His drawings and watercolors carefully recorded the physical world he saw around him These studies provided the background for a collection of paintings about landscapes with flora and fauna and ignited an artistic furor that inspired the imagery he used in his allegorical fantasy and dream cycles about forests winding paths and sweet briar roses This study focuses on two main ideas Burne Jones s concept of ideal and artificial or magical nature expressed and represented in his drawings and paintings and the way in

which he fused his scientific knowledge about nature with some of the symbolism in his paintings *Electrical Installation*
