Tales of Seneca County, New York Walter Gable, 2017-07-10 Located in the Finger Lakes region of New York Seneca County has a fascinating history Early settlers courageously fought off wild animals from wolves to panthers to tame the land and keep the new settlements safe The rise and fall of the mill industry led to the demise of ghost towns like the Kingdom The jailhouse murder of John Walters in 1887 fostered improved conditions in the county jail From the first home run hitter in major league baseball to the insidious activity of the Ku Klux Klan in the 1920s and the unfortunate burning of a traveling embalmed whale author and historian Walter Gable shares many of the defining moments of Seneca County history

Seneca County and the Civil War Walter Gable, 2014-07-15 Though hundreds of miles away from the death and destruction of the battlefield Seneca County New York contributed more than its share for the preservation of the Union Many brave men left home to fight suffering hardships and casualties John Hoster was captured in 1864 and held at the infamous Andersonville prison camp and his journal has provided invaluable insight into what soldiers held there endured At home Seneca farmers fed Lincoln s hungry army and the legend of the Scythe Tree is a reminder of those who never returned from battle After the war Waterloo s celebration in remembrance of fallen soldiers was mimicked around the country and Waterloo is recognized as the official birthplace of Memorial Day Local historian Walter Gable recounts the remarkable story of Seneca County during the Civil War *Genealogical & Local History Books in Print* , 1997 **From Abbots To Zurich** Ren Vasiliev, 2004-03-01 Sangerfield The town was established in 1795 on land originally owned by Jedediah Sanger who wanting to have a new settlement named after him promised a cask of rum for the first town meeting and 50 acres to the first church The rum was drunk at the first town meeting in 1795 The Native American name for the site was Skanawis a long swamp East New York John Pitkin came here from Connecticut in 1835 and bought land that he developed He chose this name to make people think that this place was the eastern end of New York City Morganville This place was named for William Morgan a former Mason who had written a book that supposedly revealed the secrets of Masonry He disappeared in 1826 a possible murder victim His disappearance sparked the anti Masonic movement From Abbots to Zurich provides a provocative glimpse into the history of the region It also tells the story of a young and growing nation how it wanted to be identified and how the people populating the land thought of themselves The names are not just labels for locations but they are cultural and historic guideposts to past ideas Each place s origin is traced and studied providing a reason for its name and hints at the origins of the people who originally settled there *Around Ovid* Ovid Historical Society, 2016-05-09 On land freed from American Indians upon the orders of George Washington the town of Ovid was formed in 1794 after military lots were numbered by Simeon DeWitt and his assistants In 1860 construction was completed on three brick buildings that

became known as the Three Bears which served as the town's courthouse eventually served as the Seneca County Seat and now serve as the Town of Ovid municipal offices Gradually more settlers came cleared land built roads started businesses and founded churches and schools Bordered by the Seneca and Cayuga Lakes where barges were used to transport goods the town developed a vibrant farming community with productive orchards and vineyards Tourism flourished and summer homes were built by those looking to escape the city One of these summer homes was that of Herman Westinghouse who worked together with his brother George Westinghouse on their company's myriad inventions
