Morrow Anthology Of Great Western Short Stories:

Great Western Short Stories, The Morrow Anthology Of Jon Tuska,1997-02-19 A collection of twenty eight tales of the Old West includes stories by such classic Western writers as Zane Grey Max Brand and Alan LeMay The Six-gun Mystique Sequel John G. Cawelti,1999 To this structural analysis he adds a new account of the genre s history and its relationship to the myths of the West which have played such an influential role in American history BOOK JACKET

Stories of the Far North Jon Tuska,1998-01-01 The Northwestern story emerged full blown from the pen of Jack London and his *The League of the Old Men* is a fitting introduction to these rigorous action tales in which the inhospitable climate strips away civilized veneer and individuals must live or die by their cunning instinct and sometimes ruthlessness The bond between man and dog and the character flaws revealed under the stresses of extreme isolation are just two of the classic themes explored in these works The collection comes to a fitting climax of a century s worth of development with a new story by Tim Champlin commissioned for this volume Most of these stories were originally published in magazines and were heavily edited to meet space and style concerns *Stories of the Far North* restores each work to its original form uncut and as each author intended Golden Gunmen Louis L'Amour,2017-09-05 From the master of Western storytelling comes a collection of six action packed tales sure to please Louis L Amour s legion of fans In *Trap of Gold* Wetherton has been three months out of Horsehead when he finds his first color in a crumbling granite upthrust that resembles a fantastic ruin The granite is slashed with a vein of quartz that is literally laced with gold The problem is that the granite upthrust is unstable and taking out the quartz might just bring the whole thing tumbling down But Wetherton could really use the money for his family Should he chance trying to mine that gold In *Keep Travelin* Rider Tack Gentry has been away for a year when he returns to the familiar buildings of his uncle John Gentry s G Bar ranch To his amazement the ranch has a new owner who is unimpressed when Tack explains that his uncle was a Quaker didn t believe in violence and never carried a gun His advice to Tack is to make tracks but Tack has other plans In *Big Medicine* old Billy Dunbar has discovered the best gold bearing gravel he s seen in a year but now he is down flat on his face in a dry wash hiding because a small band of Apaches has shown up It will be just too bad for him if they catch sight of his burros or notice any of the prospect holes He s going to have to figure out a pretty good strategy to get out of this one alive In *Trail to Pie Town* Dusty Barron rides his steel dust stallion at full gallop out of town Behind him a man lies bleeding on the floor of a saloon Dan Hickman had called him yellow and gone for a gun but Dan was a mite slow Maybe if Emmett Fisk and Gus Mattis hadn t appeared just as he was making a break from the saloon he could have explained himself But they reached for their guns when they saw him and Dusty had hit the desert road The dead man has relatives in the area and now it looks like Dusty is going to be facing a clan war In *McQueen* of the *Tumbling K* Ward McQueen is foreman for Ruth Kermitt owner of the *Tumbling K* Ranch He finds traces of a man apparently wounded who has sought shelter in the hinterlands of the *Tumbling K* but he is unable to locate him When McQueen rides

into town he is shot down by gunmen and left for dead But they made a critical mistake because McQueen is not dead and he s looking to get even In Dutchman s Flat it all seemed a simple matter to the six men in the posse A squatter named Lock gunned down Johnny Webb in the Bon Ton shooting him in the back Now once they catch him there isn t going to be any trial However as the posse heads out after him it becomes only too clear that Lock knows the desert better than they do and he knows how to pick them off one by one

The Man from Battle Flat Louis L'Amour,2015-02-10 Louis L Amour brings the Wild West back to life in three unstoppable adventures Mistakes Can Kill You is the story of Johnny O Day Half dead from pneumonia and on the brink of giving up he was taken in as a boy and nursed back to health by a young couple Growing up Johnny harbored nothing but resentment and jealousy of their biological son Sam But now Sam is in big trouble and it seems that Johnny may be the only person who can come between his half brother and a pair of gunmen Ross Haney is The Rider of Ruby Hills At twenty seven he s broke armed and ready to settle down But when a feud breaks out between the owners of two of the biggest spreads in Ruby Hills it looks like the fair town is on the brink of destruction Ross was a loner at first but now he s got allies and a plan In the title story Krag Moran is a rider who becomes involved in a range war among ranchers and nesters The town is divided and by the time shots are fired and the body count starts to rise Krag will have a lot of explaining to do to the wrong people Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

An Accidental Novelist Richard S. Wheeler,2012-01-15 In his early forties Richard Wheeler had never given a thought to writing fiction By his early seventies he had written sixty novels And these were being published while he was climbing the masts of a sinking ship This late in life novelist didn t tackle high literature but the sweaty world of genre fiction where the publishers advances barely paid the rent He wrote western fiction and when that genre began to ship water he leapt over to historical novels and finally biographical novels where he found himself in an odd literary corner without competition This is a memoir of literary struggle of agents and editors of jackets and publicity and book tours This is also a story about the astonishing help he received along the way from friends best selling novelists agents editors and publishers Writing may be a lonely profession but Wheeler discovered that the world of genre fiction writers is populated with caring and wise colleagues Here Wheeler evokes his early struggles which somehow prepared him for a life as a successful novelist He discusses shattered dreams and sudden joys And running through his narrative is his passion to write about the West in new ways RICHARD S WHEELER is the author of sixty novels of the West the winner of five Spur Awards and the recipient of the Owen Wister Award for lifetime achievement in the literature of the American West Many of his novels are now in trade paperback
