We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. **Mortal Coils** Aldous Huxley, *Mortal Coils* Aldous Huxley, 1958 All That Lives Must Die Eric Nylund, 2010-07-20 Eliot and Fiona Post are twins caught up in an epic custody battle between their mother's and father's families. Their mother is the immortal goddess Atropos, the eldest Fate, and their father is Lucifer, Lord of the infernals, a diabolical fallen angel. The families have put them through rigorous life-threatening challenges, and together they've risen to combat them in amazing ways. But now they are facing the greatest trial of all: high school. Paxington University is no normal high school; it's a place where gods and goddesses, warriors, and soccerers learn to harness their power, where a debate in class can end in a duel, and your classmates aren't simply friends or enemies but allies in battle or threats to your life. To flunk is to die; only the toughest graduate. As Fiona and Eliot struggle to keep up their grades by surviving the rigorous training, both families are watching. High school is bad enough, but imagine being caught in the midst of an immortal infernal war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
