population 755 Arly is a glorified traffic cop and she couldn't be happier. But when Arly's mother the indomitable Ruby Bee Hanks is invited to a baking contest in New York, Arly is forced to return to the city she hates and the Big Apple is even more rotten than she remembered. Ruby Bee has hardly preheated her oven when a naked man is found shot in her bedroom and the NYPD throws her in jail. As tempting as it may be to let her mother rot on Rikers Island, Arly has no choice but to solve the case herself, facing down killers, bakers, and the most dangerous villain of all her ex-husband Joan Hess. Is better than anyone when it comes to writing small town murder mysteries, and Maggody in Manhattan shows she knows her way around big cities too. When the wacky residents of Maggody are loosed on the Big Apple, New York City will get turned upside down. Maggody in Manhattan is the 6th book in the Arly Hanks Mysteries, but you may enjoy reading the series in any order.

Martians in Maggody Joan Hess, 2016-06-07. Police chief Arly Hanks tries to keep her head when the people of Maggody get UFO fever in this uproarious cozy mystery. Life is so boring in Maggody, Arkansas, population 755; the locals have resorted to reading supermarket tabloids, gobbling up every rumor of wolf men, zombies, and creatures from outer space they can get their hands on. And as the only sane woman in town, Chief of Police Arly Hanks just smiles and nods whenever her neighbors rave about the latest conspiracy theories. But to Arly's eternal horror, it looks like Maggody is about to become ground zero for an extraterrestrial invasion. The aliens will never know what hit 'em. It starts when strange circles appear in Raz Buchanan's cornfields, drawing reporters, newscasters, and every nut west of the Mississippi. But as supernatural fever hits Maggody, Arly is confronted with a very terrestrial murder. There may be aliens on Main Street, but in a town this strange, how could anybody tell the difference? Life has always been nutty in Maggody, but the madness is about to go paranormal. Master of cozies Joan Hess knows better than anyone how to push a mystery to the brink of madness and then push it a whole lot farther. *Martians in Maggody* is the 8th book in the Arly Hanks Mysteries, but you may enjoy reading the series in any order.

The Maggody Militia Joan Hess, 2016-06-07. In this hilarious cozy mystery, small town police chief Arly Hanks tries to stop a right wing militia from turning Maggody into a battlefield. The sign welcoming travelers to Maggody, Arkansas, reads "Pop 755 and don't expect Hizzoner Jim Bob to repaint it just because there's someone new in town." The mayor won't go out of his way for anyone, especially someone wicked, and a woman who would open a pawnshop in Maggody must be very wicked, indeed. Kayleen Smeltner decided to open the shop after her husband was killed during a burglary. She came to Maggody expecting peace and quiet, but she'll find this quaint little patch of nowhere isn't as peaceful as it seems. When a right wing militia takes up residence in the pasture behind the pawnshop, police chief Arly Hanks knows it's only a matter of time before the bullets start to fly. The strange citizens of Maggody are on the verge of civil war, and it will only take one spark to set the town ablaze. There's no politics like small town politics, and there's no town on earth like Maggody. This madcap take on right wing militias is one of Joan Hess's most topical and outrageous mysteries yet. *The Maggody Militia* is the 10th book in the Arly Hanks Mysteries, but you may enjoy reading the series in any order.

Prejudice* Joan Hess, 2025-09-23

Claire Malloy for as long as she can remember has been the local bookseller and owner of the Book Depot and the widowed mother of teenage Caron who frequently speaks in ALL CAPS. But her life has changed dramatically in recent years. Claire has married her longtime beau, Deputy Police Chief Peter Rosen. Still the owner of the Book Depot, Claire has passed the day to day running of it on to her very efficient employees. With Caron inching ever closer to college there's but one thing that remains steadfastly unchanged: Claire's astonishing ability to attract, find or even just randomly stumble across trouble. Summoned for jury duty, the prosecutor on a murder case harboring a grudge against her husband decides to humiliate Claire and dismiss her. Having done so in spectacular enough fashion to make the local news, Claire decides that revenge will be the next dish she serves. She hunts down the defendant in the case, a woman accused of murdering her husband, and offers to help prove her innocence. And not just because Claire wants to humiliate the prosecutor. There are only two problems. One: the defendant is looking guiltier by the minute. And two: the worst day imaginable has finally come. Claire's dreaded new mother-in-law is coming to visit and life in prison is starting to look good. *Murder as a Second Language*

Joan Hess, 2025-09-23. Claire Malloy, now a married woman of leisure, tries her hand at volunteering but instead lands her right in the middle of another murder investigation. Longtime bookseller and single mother Claire Malloy has recently married her long term beau and moved out of her less than opulent apartment into a sprawling newly remodeled house. Her daughter Caron is making plans for college. All of which leaves Claire with something she hasn't had in quite a while: spare time. When her attempts to learn French cooking start getting mixed reviews, she agrees to help Caron and her best friend Inez in fluffing up their college applications by volunteering as an ESL tutor with the Farberville Literacy Council. But her modest effort to give back quickly becomes a nightmare when she's railroaded onto the Board of Directors of the troubled nonprofit. Vandalism, accusations of embezzlement, epic budget problems and a cacophony of heavily accented English speakers are just the tip of the iceberg. Just as she decides that it might be best to extricate herself, Claire gets a frantic call from her husband, Deputy Chief Peter Rosen. One of the students, an older Russian woman named Ludmilla, famed for her unpleasantness, has been murdered in the offices of the Farberville Literary Council. For the first time ever, Peter actually asks Claire for her help, and Hess brings a new depth to this fan favorite series in *Murder as a Second Language: Mystery Women, Volume Two (Revised)*.
