Mortal Goods Ephraim Radner, 2024-03-19 This book by one of today's leading theologians examines how Christians might more faithfully and realistically imagine their political vocation Ephraim Radner explains that our Christian calling is to limit our political concerns to the boundaries of our created lives our birth parents siblings families brief persistence in life raising of children relations decline and death He shows that a Christian approach to politics is aimed at tending and protecting these mortal goods and argues for a more constrained view of our mortal life and our political duty

than is common in both progressive and conservative Christian perspectives Radner encourages us to take seriously what is most valuable in our lives and allow this to shape our social posture Our vocation is to offer our limited life to God give thanks for it and glorify God by living our lives as a gift Radner also shows how catastrophe reveals our time to be fragile bounded and easily overturned And he exposes betterment which lies behind most modern politics as a false motive for human life The book concludes with a vision of the good life articulated in the form of a letter to his adult children

Mortal Beauty, God's Grace Gerard Manley Hopkins, 2003-12-02 Gerard Manley Hopkins is one of English poetry's most brilliant stylistic innovators and one of the most distinguished poets of any age However during his lifetime he was known not as a poet but as a Jesuit priest and his faith was essential to his work His writings combine an intense feeling for nature with an ecstatic awareness of its divine origins most remarkably expressed in his magnificent and highly original sprung rhythm This collection contains not only all of Hopkins' significant poetry but also selections from his journals sermons and letters all chosen for their spiritual guidance and insight Hopkins didn't allow the publication of most of his poems during his lifetime so his genius was not appreciated until after his death Now more than a hundred years later his words are still a source of inspiration and sheer infectious joy in the radiance of God's creation
