**Mosaic Art and Style** JoAnn Locktov,2005 *Mosaics of the Greek and Roman World* Katherine M. D. Dunbabin,1999 This book provides a comprehensive account of mosaics in the ancient world from the early pebble mosaics of Greece to the pavements of Christian churches in the East Separate chapters in Part I cover the principal regions of the Roman Empire in turn in order to bring out the distinctive characteristics of their mosaic workshops Questions of technique and production of the role of mosaics in architecture and of their social functions and

implications are treated in Part II The book discusses both well known works and recent finds and balances consideration of exceptional masterpieces against standard workshop production Two main lines of approach are followed throughout first the role of mosaics as a significant art form which over an unbroken span illuminates the evolution of pictorial style better than any comparable surviving medium and secondly their character as works of artisan production closely linked to their architectural context

**Marvelous Mosaics for Home & Garden** George W. Shannon, Pat Torlen, 2001 Choose from a range of extraordinary mosaic techniques and materials for making 20 exceptional decorative items Use silicone to apply art glass onto a translucent background for a uniquely shimmering look Incorporate natural and found objects like fossils and bottles washed up on shore and polished by the sea Projects include a table adorned with rocks and glass a mirrored tray a 3 D decanter and more
