Mosaics Of The Greek And Roman World:

Mosaics of the Greek and Roman World Katherine M. D. Dunbabin, 1999 This book provides a comprehensive account of mosaics in the ancient world from the early pebble mosaics of Greece to the pavements of Christian churches in the East Separate chapters in Part I cover the principal regions of the Roman Empire in turn in order to bring out the distinctive characteristics of their mosaic workshops Questions of technique and production of the role of mosaics in architecture and of their social functions and implications are treated in Part II The book discusses both well known works and recent finds and balances consideration of exceptional masterpieces against standard workshop production Two main lines of approach are followed throughout first the role of mosaics as a significant art form which over an unbroken span illuminates the evolution of pictorial style better than any comparable surviving medium and secondly their character as works of artisan production closely linked to their architectural context *Mosaics of the Greek and Roman World* Katherine M. D. Dunbabin, 1999

Mosaics of the Greek and Roman World Katherine M. D. Dunbabin, 2001-09-20 Mosaics reached their fullest development under the Romans who used them to decorate the floors of their houses and public buildings This book gives a comprehensive and fully illustrated history of mosaics in the Greek and Roman world and studies their development over a thousand years throughout the Roman Empire Chapters are devoted to technique to the role of mosaics in architecture and to their social implications and the role of patrons This book is the only complete study in depth of this rich material
