Moscow and the Middle East Galia Golan,1992 SCOTT copy 1 from the John Holmes Library collection The Cold War and the Middle East Yezid Sayigh,Avi Shlaim,1997-05-22 The Cold War has been researched in minute detail and written about at great length but it remains one of the most elusive and enigmatic conflicts of modern times With the ending of the Cold War it is now possible to review the entire post war period to examine the Cold War as history The Middle East occupies a special place in the history of the Cold War It was critical to its birth its life and its demise In the aftermath of the Second World War it became one of the major theatres of the Cold War on account of its strategic importance and its oil resources The key to the international politics of the Middle East during the Cold War era is the relationship between external powers and local powers Most of the existing literature on the subject focuses on the policies of the Great Powers towards the local region The Cold War and the Middle East redresses the balance by concentrating on the policies of the local actors It looks at the politics of the region not just from the outside in but from the inside out The contributors to this volume are leading scholars in the field whose interests combine International Relations and Middle Eastern Studies

of each country individually extensive cross references have been used The Soviet Union and the PLO Roland Dannreuther, 2016-07-27 The Soviet Union and the PLO provides a comprehensive account of Soviet PLO relations from the formation of the PLO in 1964 to the disintegration of the Soviet Union in 199 By analysing in detail the complex and often turbulent evolution of the Soviet PLO relationship the book also provides critical insights into Soviet policy making towards the Arab Israeli conflict and the various strategies Moscow adopted to attain its strategic and ideological interests in the Middle East Contemporary Survey, Volume Xv: 1991 Ami Ayalon, 1993-12-30 This is the fifteenth volume in a series that provides up to date summation and evaluation of the rapidly changing events in an exceptionally complex region of the world This volume covers the period January through December 1991 and offers in depth analysis of the Gulf War the U S inspired peace negotiations the surge of Islamic sentiment in a number of countries and inter Arab relations in the wake of the Gulf War In addition a comprehensive survey of the affairs of each country is provided International History of the Twentieth Century and Beyond Antony Best, Jussi Hanhimaki, Joseph A. Kane, Masha Kirasirova, Margaret Litvin, 2023 When the Cold War ended the long history of Russian and then Soviet engagement with Arab countries was largely forgotten so the dominant role of Vladimir Putin's Russia in the region appeared to come out of nowhere The thirty four expertly

introduced primary sources in this book recover a complex history of Russian Arab ties and illuminate some of its most fascinating aspects Russian Orthodox missionaries in Palestine Arab communists traveling to the USSR and more surprising Arabic legal documents written by Russian Muslims Russian Jewish migrants to Palestine decades before Zionism and 1940s Armenians repatriated from Arab countries to the USSR Gorbachev's New Thinking and Third World Conflicts JiÅ∏Ã Valenta, Frank Cibulka, Some of the most crucial changes inspired by Gorbachev and perestroika concern Soviet and East European policies toward Third World countries Despite countless studies of Soviet U S relations and U S relations with the Third World the area of Soviet relations with the Third World has been left relatively undeveloped This is the first of several volumes intended to add to our knowledge of what the series editor Jiri Valenta characterizes as East South relations In this new era of cooperation and diplomacy the superpowers are working to resolve regional conflicts in and around Afghanistan Nicaragua Angola and Cambodia Such efforts are exceedingly complex since they necessarily involve not only the Soviet Union but Third World nations that may operate independently such as Cuba and Vietnam This volume addresses a number of such conflicts In addition to those already mentioned conflicts in Ethiopia Namibia and the Philippines are discussed and their implications for Western policy makers are reviewed As the contributors emphasize despite current Soviet emphasis on peaceful solutions to regional conflicts Gorbachev s New Thinking in foreign affairs is still decidedly selective In some cases the Soviet Union will actually encourage close ties with regional Third World powers as it has with India It is also too much to expect that the Soviet Union much less Cuba and Vietnam will completely cut ties to revolutionary allies worldwide That said the 1990s will undoubtedly be characterized by new Soviet foreign policy styles. Their shape and form is the subject of this book It will be of immense interest to policymakers and researchers concerned about current developments in relations between the superpowers and with the Third World Contributors include Vernon Aspaturian Bhabani Sen Gupta William E Griffith Jerry F Hough Douglas Pike Howard Wiarda AH T Sheikh Sabahuddin Kushkaki Colin Legum H de V du Toil Khien Theeravit Frank Cibulka Alvaro Taboada Charles William Maynes W Bruce Weinrod Jiri Valenta Conflict Transformation and Peacebuilding Bruce W. Dayton, Louis Kriesberg, 2009-02-11 This book fills a gap in our understanding of the forces that lead to moderation and constructive engagement in the context of violent intrastate conflicts
