Moscow Was My Parrish:

Moscow was My Parish Georges Bissonnette, 1956 An American Catholic chaplain's account of his two years spent in the Soviet Union as chaplain to the American Embassy and the foreign colony *The Catholic Church and Russia* Dennis J. Dunn, 2017-05-15 This unique account of Russia's encounter with Catholicism from the medieval period to the present provides fascinating insights into Catholic Russian relations. Dennis Dunn analyzes religious politics in the former USSR and in Russia particularly in areas where relations between the state-backed Orthodox establishment and the Catholic Church have renewed debates about civil rights, religious freedom and Russian national identity under Vladimir Putin's regime. Discussing issues such as the role of Pope John Paul II in helping to bring down the Iron Curtain, Dunn argues provocatively that Catholic Russian relations are a microcosm of Western Russian relations and sheds new light on the historical strain between Russia and the West. Showing how Russia's adoption of a secular ideology, a vain attempt to surpass the West, alienated the Russian government not only from the Catholic Church but also from its own Orthodox foundation, this book discusses how Russia sealed its fate while precipitating the Cold War with the West. Students and general readers interested in Russian history, Western Russian relations, Catholicism and comparative religion more broadly will find this an invaluable and accessible account of an important and understudied subject. *The Athenaeum*, 1905 **Professional Journal of the United States Army**, 1997 **A History of the Treaty of Big Tree** Livingston County Historical Society (N.Y.), 1897

The Collected Works of Harold Clurman Harold Clurman, 2000-02 Applause Books For six decades Harold Clurman illuminated our artistic, social and political awareness in thousands of reviews, essays and lectures. His work appeared indefatigably in *The Nation*, *The New Republic*, *The London Observer*, *The New York Times*, *Harper's Esquire*, *New York Magazine* and more. *The Collected Works of Harold Clurman* captures over six hundred of Clurman's encounters with the most significant events in American theatre as well as his regular passionate embraces of dance, music, art and film. This chronological epic offers the most comprehensive view of American theatre seen through the eyes of our most extraordinary critic. 1102 pages, hardcover. **Gulag Literature and the Literature of Nazi Camps** Leona Toker, 2019-08-28 A literary scholar examines survival narratives from Russian and German concentration camps, shedding new light on testimony in the face of evil. In this illuminating study, Leona Toker demonstrates how Holocaust literature and Gulag literature provide contexts for each other, especially how the prominent features of one shed light on the veiled features and methods of the other. Toker's analysis concentrates on the narrative qualities of the works as well as how each text documents the writer's experience in a form where fictionalized narrative can double as historical testimony. Toker also views these texts against the background of historical information about the Soviet and the Nazi regimes of repression. Writers at the center of this work include Varlam Shalamov, Primo Levi, Elie Wiesel and Ka Tzetnik, and others including Aleksandr Solzhenitsyn, Evgeniya Ginzburg and Jorge Semprín illuminate the discussion. Toker also provides context for references to potentially obscure
