J. Rysen,Dan Manternach,2021-10-20 What is the complete essence of this book The Cosmic Harmony of Science Scripture and Reason Can it be indubitably proven that God absolutely exists Can it really be shown how science actually confirms creation by God Given that some say not even God can create something out of nothing exactly how did God create everything in the universe Just how can the Holy Bible be reliable and the divine Word of God when it is challenged with so much controversy Can it be irrefutably verified that Jesus was for real really rose from the dead and is the Son of God Did the

Great Flood of Noah and his Ark really happen How Everybody wants to see proof Atheists and skeptics often demand it A total of twenty one of the most often asked and difficult questions challenging Christianity are answered by coauthors C J Rysen author of the Christian apocalyptic thriller a novel In the Course of Three Hours www.inthecourseofthreehours.com and Dan Manternach a public speaker and leader in the Christian Group Ministry to Men www.ministrytomen.net Both men have collaborated to provide irrefutable answers and explanations in a simple easy to understand straightforward way providing new unexpected and intriguing perspectives to which you likely may have never given any thought Many of these will be surprising and often startling to anyone whether skeptic agnostic or atheist The book is also intended to be a reference source for the layperson as well as those with formal theological or philosophical education Although this book is intended to address these questions for the benefit of the nonbeliever it also is intended to prepare the believer to help answer such questions and solidify their faith If one is intellectually honest with oneself the explanations in this book should be overwhelmingly compelling and absolutely convincing If they are not one must ask the question Why

The Sibylline Oracles J. L. Lightfoot, 2007-12-13 In this book J L Lightfoot throws a bridge between two mutually ignorant areas pagan oracles and Judaeo Christian studies The Sibyl was a legendary figure in Greco Roman antiquity who was credited with verse prophecies often of an apocalyptic character Lightfoot describes how she was taken over by Jews in the Hellenistic period and later by Christians as a vehicle for their own understandings of prophecy She explores what those understandings were and describes how the message was then clothed in the very distinctive and mannered pagan idiom that was the hallmark of Sibylline prophecy The volume contains an edition translation and commentary on the undeservedly neglected first and second books of extant oracles The commentary illustrates some of the ways in which biblical scriptures were represented and recast in an oracular idiom and pays particular attention to the oracle s most noteworthy feature its extraordinarily rich description of the Day of Judgement
