**Post-Holocaust France and the Jews, 1945-1955** Seán Hand,Steven T Katz,2020-07-28 Despite an outpouring of scholarship on the Holocaust little work has focused on what happened to Europe s Jewish communities after the war ended And unlike many other European nations in which the majority of the Jewish population perished France had a significant post war Jewish community that numbered in the hundreds of thousands Post Holocaust France and the Jews 1945 1955 offers new insight on key aspects of French Jewish life in the decades following the end of World War II How Jews had been treated during the war continued to influence both Jewish and non Jewish society in the post war years The volume examines the ways in which moral and political issues of responsibility combined with the urgent problems and practicalities of restoration and it illustrates how national imperatives international dynamics and a changed self perception all profoundly helped to shape the fortunes of postwar French Judaism Comprehensive and informed this volume offers a rich variety of perspectives on Jewish studies modern and contemporary history literary and cultural analysis philosophy sociology and theology With contributions from leading scholars including Edward Kaplan Susan Rubin Suleiman and Jay Winter the book establishes multiple connections between such different areas of concern as the running of orphanages the establishment of new social and political organisations the restoration of teaching and religious facilities and the development of intellectual responses to the Holocaust Comprehensive and informed this volume will be invaluable to readers working in Jewish studies modern and contemporary history literary and cultural analysis philosophy sociology and theology     **Awakening the Spark Within** Rabbi Yitzchak Ginsburgh,2005-06 And they shall beat their swords into plowshares and their spears into pruning hooks nation shall not lift up sword against nation Neither shall they learn war anymore This is the prophesy of Isaiah promising the world what it yearns for a perfect future a future without war without hunger without strife That such a future awaits us Isaiah says is a promise from G d When it will dawn is up to us In Awakening the Spark Within Rabbi Yitzchak Ginsburgh explains how every Jew man woman and child can live up to this awesome responsibility by cultivating in everyday personal life his or her own innate sparks of leadership He shows how seemingly insignificant individual efforts can have world changing consequences and bring the prophetic vision of the future to its ultimate fulfillment Includes glossary footnotes and index     *A Code of Jewish Ethics, Volume 2* Rabbi Joseph Telushkin,2009-02-10 Jewish thinkers don t talk all that much about love All too often we leave that to Christian theologians But in this excellent volume Rabbi Joseph Telushkin puts the commandment to love at the center of Jewish theology and experience This is a book that will change the way you

think about and practice Judaism Professor Ari L Goldman Columbia University and author of *The Search for God* at Harvard Love your neighbor as yourself is the best known commandment in the Bible Yet we rarely hear anyone talk about how to apply these words in daily life In this landmark work Rabbi Joseph Telushkin one of the premier scholars and thinkers of our time gives both Jews and non Jews an extraordinary summation of what Jewish tradition teaches about putting these words into practice Writing with great clarity and simplicity as well as with deep wisdom Telushkin covers topics such as love and kindness hospitality visiting the sick comforting mourners charity relations between Jews and non Jews compassion for animals tolerance self defense and end of life issues This second volume of the first major code of Jewish ethics written in the English language is breathtaking in its scope and will undoubtedly influence readers for generations to come It offers hundreds of practical examples from the Torah the Talmud the Midrash and both ancient and modern rabbinic commentaries as well as contemporary anecdotes all teaching us how to care for one another each and every day *A Code of Jewish Ethics Volume 2 Love Your Neighbor as Yourself* is a consummate work of scholarship Like its acclaimed predecessor which received the National Jewish Book Award it is rich with ideas to contemplate and discuss while being primarily a book to live by Nothing could be more important in these strife torn times than learning how to love our neighbors as ourselves The message of this book is as vital and timely now as it has been since time immemorial [The German-Jewish Experience Revisited](#) Steven E. Aschheim, Vivian Liska, 2015-09-14 In the past decades the German Jewish phenomenon Derrida has increasingly attracted the attention of scholars from various fields Jewish studies intellectual history philosophy literary and cultural studies critical theory In all its complex dimensions the post enlightenment German Jewish experience is overwhelmingly regarded as the most quintessential and charged meeting of Jews with the project of modernity Perhaps for this reason from the eighteenth century through to our own time it has been the object of intense reflection of clashing interpretations and appropriations In both micro and macro case studies this volume engages the multiple perspectives as advocated by manifold interested actors and analyzes their uses biases and ideological functions over time in different cultural disciplinary and national contexts This volume includes both historical treatments of differing German Jewish understandings of their experience their relations to their Judaism general culture and to other Jews and contemporary reflections and competing interpretations as to how to understand the overall experience of German Jewry **The biblical reason why, a family guide to Scripture readings, by the author of 'The reason why - general science'.** Robert Kemp Philp, 1859 **The Biblical Reason Why. A Family Guide to Scripture Readings, and a Hand-book for Biblical Students** Robert Kemp Philp, 1859 *Jewish Church* Antoine Lévy, 2021-01-28 The idea of a Jewish Church has been banned from the Christian horizon for almost two millennia But things are changing Since the middle of the 70s the Messianic Jewish movement has strived to build an ecclesial home for all Jewish believers in Christ This new phenomenon brings to life issues that had disappeared since the first centuries of the Church What does it mean to be a Jew in the Church Should there be a

distinction between Jews and non Jews among believers in Christ Is such a distinction compatible with the unity of the whole Body of Christ so ardently preached by Paul What lifestyle should this Church promote In his various works Mark Kinzer a prominent Messianic Jewish theologian has attempted to provide substantial answers to these questions Antoine L vy is a Dominican priest With Kinzer L vy has launched the Helsinki Consultation a cross denominational gathering of Jewish theologians In Jewish Church A Catholic Approach to Messianic Judaism L vy examines Kinzer s positions critically bringing forward an alternative vision of what a Jewish Church could and should be This is only the beginning of what promises to be a fascinating discussion
