Moses As A Character In The Fourth Gospel:

Moses as a Character in the Fourth Gospel Bloomsbury Publishing Plc, Stan Harstine, 2002 **Moses as a Character in the Fourth Gospel** Stan Harstine, 2002-10-08 Did first century Mediterranean readers of the Fourth Gospel have comparable literary examples to inform their comprehension of Moses as a character In addressing this question Harstine's study falls into two parts The first is an analysis of the character Moses as utilized in the text of the Fourth Gospel The second is an examination of other Hellenistic narrative texts in which the character of Homer is also considered as another important legendary figure with whom the readers of the Fourth Gospel would have been familiar **The Functions of Moses as a Character in the Fourth Gospel and the Responses of Three Ancient Mediterranean Audiences** Stanley Dwight Harstine, 1999 *Character Studies in the Fourth Gospel* Hunt, et al, 2016 Using various narrative approaches and methodologies an international team of forty four Johannine scholars here offers probing essays related to individual characters and group characters in the Gospel of John These essays present fresh perspectives on characters who play a major role in the Gospel Peter Nicodemus the Samaritan woman Thomas and many others but they also examine characters who have never before been the focus of narrative analysis the men of the Samaritan woman the boy with the loaves and fishes Barabbas and more Taken together the essays shed new light on how complex and nuanced many of these characters are even as they stand in the shadow of Jesus Readers of this volume will be challenged to consider the Gospel of John anew

The Christological Witness Function of the Old Testament Characters in the Gospel of John Sanghee M Ahn, 2014-06-01 This book investigates the narrative function of the Old Testament characters in the Gospel of John The fascinating thesis is that the Hebrew characters in John's narrative uniformly function as a witness for the messianic identity of Jesus The Jewish scriptural traditions Hebrew and intertestamental ones are compared to shed light on John's indebtedness for its formation of his Christology A compelling argument ensues which informs our understanding not only of the Gospel itself but also of Jesus Christ revealed in the Gospel **COMMENDATION** Dr Ahn's thorough and careful study represents a solid contribution from which many will benefit All serious interpreters of the Johannine witness will want to refer to this work Mark A Seifrid Southern Baptist Theological Seminary USA [John 4:1-42 among the Biblical Well Encounters](#) Eric John Wyckoff, 2020-11-24 In this volume Eric John Wyckoff examines four biblical texts which narrate encounters between a woman and a man at a well The episodes in Genesis 24 and 29 Exodus 2 and John 4 share similar literary features but the contrasts are revealing Their complex interrelation represents an interpretive key [A Theory of Character in New Testament Narrative](#) Cornelis Bennema, 2014-04-01 In this study in three dimensional character reconstruction Cornelis Bennema presents a new theory of character in the New Testament literature Although character has been the subject of focused literary critical study of the New Testament since the 1970s Bennema observes that there is still no consensus regarding how character should be understood in contemporary literary theory or in biblical studies Many New

Testament scholars seem to presume that characters in Greco Roman literature are two dimensional Aristotelian figures unlike the well rounded psychologized individuals who appear in modern fiction They continue nevertheless to apply contemporary literary theory to characters in ancient writings Bennema here offers a full comprehensive and non reductionist theory for the analysis classification and evaluation of characters in the New Testament Characters and Characterization in the Gospel of John Christopher W. Skinner,2013-04-11 This volume examines characters in the Fourth Gospel and provides an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods Divided into two sections the book first considers method and theory followed by exegetical character studies using a literary or reader oriented method It summarizes the state of the discussion examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel compares different approaches and compiles the diverse methodologies into one comparative study Through this detailed exegesis the various theories will come alive and the merits or deficiencies of each approach will be available to the reader This volume is both a comprehensive study in narrative reader oriented theories and a study in the application of those theories as they apply to characterization Summing up current research on characters and characterization in the Fourth Gospel this book also provides a comprehensive presentation of different approaches to character that have developed in recent years *A Prologue to Studies in the Fourth Gospel* Riku P. Tuppurainen,2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel s unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel s wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students Jesus as Teacher in the Gospel of Matthew Charles Nathan Ridlehoover,Charles Quarles,2023-07-27 Inspired by the work of Richard France and his highly influential Matthew Evangelist and Teacher Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus s role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew s portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus s Old Testament and Second Temple

influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus's position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus's teaching ministry gives readers a more complete look at Jesus's vocation **A**

Introduction to the Literary Art of the Gospel of John Paul Jaesuk Jo, 2022-05-24 The Gospel of John is a magnificent book Intricate fabrics interweave its beautiful robe and its material is a finely twisted linen of many colors Throughout the history of the church interpreters have long been captivated by its loveliness and power Many modern interpreters however would not hesitate to call it puzzling confusing or ridden with riddles at least What is John is therefore a fascinating question that lingers During the last half century literary theories have been brought into the study of the Fourth Gospel with varying degrees of success New analytical lenses are cast over the Gospel to render its secrets but it feels as if only those who are initiated into its mystery have the knowledge Reading and rereading strategies are offered but the path out of the vast labyrinth is difficult to find The Gospel of John however surprisingly reads much like the Old Testament In fact its form is deeply imbued in the styles of Old Testament poetry narratives and prophets that when they are properly understood together John's message comes across clearly Taking a comprehensive view of the styles of the Old Testament this book takes you to see John in its grand design

Dictionary of Jesus and the Gospels (2nd edn) J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the

end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church **Anatomies of the Gospels and Beyond** ,2019-01-28 Anatomies of the Gospels and Beyond is an edited volume structured around essays that focus on one of the four canonical Gospels and Acts and or theoretical issues involved in literary readings of New Testament narrative The volume is intended to honor the legacy of R Alan Culpepper Emeritus Professor and Former Dean at Mercer University s McAfee School of Theology The title of the volume which alludes to the title of Culpepper s ground breaking monograph Anatomy of the Fourth Gospel and the breadth of the essays are apt reflections of his research interests over his academic career of over forty years The twenty five contributors are internationally recognized experts in New Testament studies thus the essays represent a snapshot of current research **Allusion and Meaning in John 6** Susan Hylen,2012-02-14 Many interpreters read John 6 as a contrast between Jesus and Judaism Jesus repudiates Moses and manna and offers himself as an alternative In contrast this monograph argues that John 6 places elements of the Exodus story in a positive and constructive relationship to Jesus This reading leads to an understanding of John as an interpreter of Exodus who like other contemporary Jewish interpreters sees current experiences in light of the Exodus story This approach to John offers new possibilities for assessing the gospel s relationship to Jewish scripture its dualism and its metaphorical language The Studia Philonica Annual XXXIII, 2021 David T.
