one wintry evening change the course of your life from status quo to serendipity That's the question I answer in my inspirational story depicting a time in one woman's life when she's all but given up on her future Fiercely independent she

hides behind the thick armor she wears of her own making thinking if she lives her life in this manner no one will ever hurt her again Boxing herself off comes at a high price though loneliness and loss of self worth In essence she s lost hope My story is about finding it again It was their nightly walk that started out no different than any other midwinter evening With only her beloved West Highland white terrier Marshmallow as her companion she is about to embark on a journey that will alter her world as she knows it Her complacent life would soon be changed forever by coming to terms with her deep rooted and unfounded guilt She strives to raise her two sons alone after a painful divorce all the while trying to make the world a better place for children as a children s advocate She prays to God for guidance and to help her make sense of where her life is leading and to find happiness She is in awe and at times even disbelief that God would personally answer her never ending prayers by transporting her back into time to resolve her issues with her past In a continuing battle to regain her old way of life she soon learns that God makes all our plans and only in His time are we fully able to grasp His intentions With the help of a handsome but puzzling guide she finally settles down and begins to carve out a new life for herself in a new world Fifty year old Hope is about to have her prayers answered in a way she never expected **Respectable Sins** Jerry

A Faith of Your Own Ronald J. Allen,2010-01-25 A faith should be a living thing What we believe necessarily evolves in response to insights into the Bible to questions or doubts we face to changes in life circumstances or to things that happen in the larger world Nevertheless Christians often find it helpful to identify what they can most fully believe at a given moment Such clarity empowers the present and leads us toward the future Such moments can also be mile markers by which we measure our faith journey In each chapter the first section lists the most common ways a certain topic is understood in the Bible The second section identifies important ways the church has interpreted that topic since the Bible s inception The third

section introduces contemporary perspectives With that foundational knowledge readers can make a judgment as to which viewpoints seem more or less persuasive to them personally Finally each chapter ends with questions for reflection for individuals or small groups
