## **Most Of What We Spend:**

Clockwork Mike Michalowicz, 2018-08-21 Do you worry that your business will collapse without your constant presence Are you sacrificing your family friendships and freedom to keep your business alive What if instead your business could run itself freeing you to do what you love when you want while it continues to grow and turn a profit It s possible And it s easier than you think If you re like most entrepreneurs you started your business so you could be your own boss make the money you deserve and live life on your own terms In reality you re bogged down in the daily grind constantly putting out fires answering an endless stream of questions and continually hunting for cash Now Mike Michalowicz the author of Profit First and other small business bestsellers offers a straightforward step by step path out of this dilemma In Clockwork he draws on more than six years of research and real life examples to explain his simple approach to making your business ultra efficient Among other powerful strategies you will discover how to Make your employees act like owners Free yourself from micromanaging by using a simple technique to empower your people to make smart decisions without you Pinpoint your business s most important function Unleash incredible efficiency by identifying and focusing everyone on the one function that is most crucial to your business Know what to fix next Most entrepreneurs try to fix every inefficiency at once and end up fixing nothing Use the weakest link in the chain method to find the one fix that will add the most value now Whether you have a staff of one one hundred or somewhere in between whether you re a new entrepreneur or have been overworked and overstressed for years Clockwork is your path to finally making your business work for you      **Proceedings of the ...**
