Zionism and Arabism in Palestine and Israel Elie Kedourie, Sylvia Haim, 2015-05-22 This book first published in 1982 collects together ten studies from the journal *Middle Eastern Studies* They tackle a variety of issues stemming from the conflict between Arabism and Zionism before and after the creation of the State of Israel Aspects of Arab-Jewish relations during the Mandate are considered as are political decisions and diplomatic events that led to the end of the Mandate After

1948 the diplomatic history of Israel and of the Arab Israeli conflict are examined **The Conferences at Washington and Quebec, 1943** United States. Department of State. Historical Office, 1970 **Communist Forgeries** United States. Congress. Senate. Committee on the Judiciary, 1961 **Silent Conflict** Michael Jabara Carley, 2014-01-16 This deeply informed book traces the dramatic history of early Soviet western relations after World War I Michael Jabara Carley provides a lively exploration of the formative years of Soviet foreign policy making after the Bolshevik Revolution especially focusing on Soviet relations with the West during the 1920s Carley demonstrates beyond doubt that this seminal period termed the silent conflict by one Soviet diplomat launched the Cold War He shows that Soviet western relations at best grudging and mistrustful were almost always hostile Concentrating on the major western powers Germany France Great Britain and the United States the author also examines the ongoing political upheaval in China that began with the May Fourth Movement in 1919 as a critical influence on western Soviet relations Carley draws on twenty five years of research in recently declassified Soviet and western archives to present an authoritative history of the foreign policy of the Soviet state From the earliest days of the Bolshevik Revolution deeply anti communist western powers attempted to overthrow the newly formed Soviet government As the weaker party Soviet Russia waged war when it had to but it preferred negotiations and agreements with the West rather than armed confrontation Equally embattled by internal struggles for power after the death of V I Lenin the Soviet government was torn between its revolutionary ideals and the pragmatic need to come to terms with its capitalist adversaries The West too had its ideologues and pragmatists This illuminating window into the overt and covert struggle and ultimate standoff between the USSR and the West during the 1920s will be invaluable for all readers interested in the formative years of the Cold War **Constitutional Relations Between Britain and India; the Transfer of Power, 1942-7: The Cripps Mission, January-April 1942** Nicholas Mansergh, 1970 **The Churchill War Papers** Winston Churchill, Martin Gilbert, 1993 The much anticipated third volume of Churchill s fascinating papers **Losing Balance: De-Democratization of America** William P.
