Most Unusual Sight:

From the Front Line Hew Pike, 2009-04-21 From the Frontline is an extraordinary record of a family's military service over the last 100 years. Thanks to careful editing, each individual tells his story through letters and diaries which capture the military scene and reflect family ties that bind them all closely. The eight family members served in South Africa, West Africa, Korea, Aden, the Falklands, and Afghanistan, as well as both World Wars. One lost his life and others were wounded. Two became generals; many were decorated. Their records may span a century when warfare changed greatly. Yet the tone of the letters remains surprisingly constant, reflecting confidence in their fellows, a pride in service to Crown and Country, love of family, and understatement of the dangers. Being thinking men, their views on the conduct of operations is sometimes critical, as are their opinions of their leaders. This collection is highly unusual and totally enthralling. **Entering the Temple of**

Light Nancy Kimes, 2018-08-29 The book is about meditation, the process and basic steps to make it easy to do, inspiration, words that touch your heart and soul, and healing. As you enter the Temple of Light, you will be led to chambers that will speak to your heart and soul. The meditations are inspired with illustrations to help you connect and feel the process of each journey; each chamber takes you through. You will gain an inner reflection which will show you who you are, wisdom which will help you make better choices and decisions, and healing which includes personal stories that will give you insights toward self-healing. **Oswaal One for All Class 12 English, Physics, Chemistry & Mathematics (Set of 4 books) (For CBSE**
