features an earthy detective out to solve the case **Principles** Ray Dalio, 2018-08-07 1 New York Times Bestseller

Significant The book is both instructive and surprisingly moving The New York Times Ray Dalio one of the world's most successful investors and entrepreneurs shares the unconventional principles that he's developed refined and used over the past forty years to create unique results in both life and business and which any person or organization can adopt to help achieve their goals In 1975 Ray Dalio founded an investment firm Bridgewater Associates out of his two bedroom apartment in New York City Forty years later Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States according to Fortune magazine Dalio himself has been named to Time magazine's list of the 100 most influential people in the world Along the way Dalio discovered a set of unique principles that have led to Bridgewater's exceptionally effective culture which he describes as an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency It is these principles and not anything special about Dalio who grew up an ordinary kid in a middle class Long Island neighborhood that he believes are the reason behind his success In Principles Dalio shares what he's learned over the course of his remarkable career He argues that life management economics and investing can all be systemized into rules and understood like machines The book's hundreds of practical lessons which are built around his cornerstones of radical truth and radical transparency include Dalio laying out the most effective ways for individuals and organizations to make decisions approach challenges and build strong teams He also describes the innovative tools the firm uses to bring an idea meritocracy to life such as creating baseball cards for all employees that distill their strengths and weaknesses and employing computerized decision making systems to make believability weighted decisions While the book brims with novel ideas for organizations and institutions Principles also offers a clear straightforward approach to decision making that Dalio believes anyone can apply no matter what they're seeking to achieve Here from a man who has been called both the Steve Jobs of investing and the philosopher king of the financial universe CIO magazine is a rare opportunity to gain proven advice unlike anything you'll find in the conventional business press **New York Magazine** , 1988-06-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Complete Idiot's Guide to Acing the GRE** Henry George Stratakis-Allen, 2007-10-02 Making the grade for post graduate studies The Graduate Record Exam is a must for anyone who aspires to post graduate study and it creates more general anxiety than anything since the SAT This guide is the answer to every test taker's prayers providing all the tricks and a sample exam necessary for you to score big [You Can Get There From Here](#) Bob Stanhope, 2017-12-11 I'd always wanted to travel except that I didn't know it After graduating from college

getting a job and setting out on my own I made some sporadic attempts to see some of the world It took a while to figure out how and it was only after I got married that the two of us came upon a strategy that worked for us This book is a collection of stories about my mostly modest opportunities to travel This is not a how to book There will be no listings of the best places to go You will not find even a slightly comprehensive guide to locations National Parks interesting cities countries or anything else particularly useful However I hope you will find some interesting and amusing stories about surprises that we encountered along the way
