second edition offers theater lovers an illuminating behind the scenes tour of some of America's best musicals. Geoffrey Block provides a documentary history of each of the eighteen musicals he discusses. He reveals how the American musical evolved from the 1920s to today both on stage and on screen and how librettist, lyricist, composer, and director work together to shape pieces. book cover The Complete Lyrics of Frank Loesser Frank Loesser, 2003. A collection of the complete lyrics of the American songwriter whose achievements include *Guys and Dolls* and *How to Succeed in Business Without Really Trying* is complemented by historical commentary and rare photographs. Enchanted Evenings : The Broadway Musical from Show Boat to Sondheim Washington: Geoffrey Block, Professor of Music, University of Puget Sound, 1997-10-02. The classic musicals of Broadway can provide us with truly enchanted evenings. But while many of us can hum the music and even recount the plot from memory, we are often much less knowledgeable about how these great shows were put together. What was the inspiration for Rodgers and Hammerstein's *Pal Joey* or Rodgers and Hammerstein's *Carousel*? Why is Maria's impassioned final speech in *West Side Story* spoken rather than sung? Now in *Enchanted Evenings*, Geoffrey Block offers theatre lovers an illuminating behind the scenes tour of some of the best loved, most admired, and most enduring musicals of Broadway's Golden Era. Readers will find insightful studies of such all-time favorites as *Show Boat*, *Anything Goes*, *Porgy and Bess*, *Carousel*, *Kiss Me Kate*, *Guys and Dolls*, *The Most Happy Fella*, *My Fair Lady*, and *West Side Story*. Block provides a documentary history of fourteen musicals in all, plus an epilogue exploring the plays of Stephen Sondheim, showing how each work took shape and revealing at the same time, production by production, how the American musical evolved from the 1920s to the early 1960s and beyond. The book's particular focus is on the music, offering a wealth of detail about how librettist, lyricist, composer, and director work together to shape the piece. Drawing on manuscript material such as musical sketches, autograph manuscripts, pre-production librettos, and lyric drafts, Block reveals the winding route the works took to get to their final form. Block blends this close attention to the nuances of musical composition and stagecraft with trenchant social commentary and lively backstage anecdotes. Jerome Kern, Cole Porter, the Gershwins, Rodgers and Hammerstein, Lerner and Loewe, Kurt Weill, Frank Loesser, Leonard Bernstein, Sondheim, and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision and integrity. Opening night reviews and accounts of critical and popular response to subsequent revivals show how particular musicals have adapted to changing times and changing audiences, shedding light on why many of these innovative shows are still performed in high schools, colleges, and community theaters across the country, while others such as Weill's *One Touch of Venus* or Marc Blitzstein's *The Cradle Will Rock* languish in comparative obscurity. Packed with information including a complete discography and plot synopses and song by song scenic outlines for each of the fourteen shows, *Enchanted Evenings* is an essential reference as well as a riveting history. It will deepen readers' appreciation and enjoyment of these beloved musicals, even as it delights both the seasoned theatergoer and the neophyte encountering the magic of Broadway for the first time. **Dictionary Catalog**
