

An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. Several dark, jagged rocks are scattered along the coastline. The overall mood is serene and contemplative.

Time is your most precious gift because you only have a set amount of it. You can make more money, but you can't make more time. When you give someone your time, you are giving them a portion of your life that you'll never get back.
