Know and Be Known Brooke B. Collison, 2007-03-01 People yearn for a sense of belonging. Congregations become places of belonging when people find ways to make connections, form relationships, and share their personal stories. That's hard to do in the hasty comings and goings around the typical worship service. It's even hard to do in a choir committee or ministry group. In *Know and Be Known*, Brooke Collison looks at the element missing in most group dynamics today: intentionality about relationships. Counselor, educator, and long-time leader and participant in small groups, Collison knows the power of small groups to create meaningful bonds of friendship and support.

The Very Best Men Evan Thomas, 2012-12-04 *The Very Best Men* is the story of the CIA's early days as told through the careers of four glamorous, daring, and idealistic men who ran covert operations for the government from the end of World War II to Vietnam. Evan Thomas re-creates the personal dramas and sometimes tragic lives of Frank Wisner, Richard Bissell, Tracy Barnes, and Desmond FitzGerald, who risked everything to contain the Soviet threat. Within the inner circles of Washington, they were regarded as the best and the brightest. They planned and acted to keep the country out of war by stealth and political action and to do so by cunning and sleight of hand, what great armies could not, must not be allowed to do. In the end, they were too idealistic and too honorable and were unsuited for the dark, duplicitous life of spying. Their hubris and naivete led them astray, producing both sensational coups and spectacular blunders like the Bay of Pigs and the failed assassination attempts on foreign leaders in the early 1960s. Thomas draws on the CIA's own secret histories to which he has had exclusive access, as well as extensive interviews, to bring to life a crucial piece of American history.
