on the way to the Self and spiritual development The latter includes meditation hypnosis incubation and lucid dreaming valuable introspective techniques with their potential for healing metacognition and Self knowledge In the past they have been misunderstood and mainly considered as dysfunctional phenomena from the ruling mechanist reductionist perspectives of medicine Instead they are meaningful phenomena to be properly comprehended a problem endowed with huge cultural and epistemological implications Actually their deviation is from the Western dry rationalist and materialist world view rather than from mind brain normal functioning These intriguing still little understood phenomena have been appraised from a scientific transdisciplinary approach and a metaphilosophical perspective in search for their proper interpretation a fact endowed with relevant implications in clinical practice as well as in psychology philosophy anthropology and real life

Foundations of Biosocial Health Shir Lerman Ginzburg, Bayla Ostrach, Merrill Singer, 2017-05-04 The chapters in Foundations of Biosocial Health Stigma and Illness Interactions drawn primarily from medical anthropology highlight the diverse ways in which various stigmatized health conditions interact with social inequalities and stigma to form syndemics The authors delineate multiple examples of stigma driven syndemics to demonstrate both the nature of disease interactions and how stigma contributes to promotes exacerbates or perpetuates a syndemic In so doing the authors also address how stigma translates from a social condition to various biological conditions The authors contributions cover a variety of topics including HIV substance use obesity depression homelessness poverty and political oppression This book is recommended for scholars of anthropology sociology psychology political science and public health *The New Partridge Dictionary of Slang and Unconventional English: J-Z* Eric Partridge, 2006 Entry includes attestations of the head word s or phrase s usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews com **Drugs and Social Context** Telmo Mota Ronzani, 2018-01-31 This book goes beyond the traditional approaches to drug use and discusses the issue from a societal perspective integrating contributions from different disciplines such as psychology public health anthropology law public policies and sociology to address specifically the social aspects of the phenomenon Given its complexity drug use demands a multidisciplinary approach from many different perspectives but despite the vast literature about the topic the majority of the books are restricted either to a purely medical perspective focused mainly on treatment techniques or to a criminological perspective focused mainly on drug trafficking and organized crime The social approach adopted in this volume challenges this dichotomy and analyzes both the social contexts to which drug use is related and the social and political consequences of the attitudes and policies adopted by governments and other social groups towards drug users addressing topics such as Drugs and poverty Drugs and gender Drugs and race Drugs and territory Stigmatization of drug use Prohibitionism Given its broad and innovative approach Drugs and Social Context Social Perspectives on the Use of Alcohol and Other Drugs will be of interest for researchers clinicians and other health professionals since the study of the social aspects of drug use is central to everyone who deals with the issue America's Moment of Truth Israrul Haque, 2006

The Culture of Dissenting Memory Véronique Tadjo, 2019-03-18 This volume deals with the manifold ways in which histories are debated and indeed historicity and historiography themselves are interrogated via the narrative modes of the truth commissions It traces the various medial responses memoirs fiction poetry film art which have emerged in the wake of the truth commissions The 1990s and the 2000s saw a spate of so called truth commissions across the Global South From the inaugural truth commissions in post juntas 1980s Latin America to the Truth and Reconciliation Commission set up by the incoming post apartheid government in South Africa and the twinned gacaca courts and National Unity and Reconciliation Commission in Rwanda and that in indigenous Australia various truth commissions have sought to lay bare human rights abuses The chapters in this volume explore how truth commissions crystallized a long tradition of dissenting and resisting cultures of memorialization in the public sphere across the Global South and provided a significant template for contemporary attempts to work through episodes of violence and oppression across the region Drawing on studies from Latin America Africa Asia and Australia this book illuminates the modes in which societies remember and negotiate with traumatic pasts This book will be of great interest to scholars and researchers of human rights popular culture and art literature media politics and history

América Robert Goodwin, 2019-03-05 An epic history of the Spanish empire in North America from 1493 to 1898 by Robert Goodwin author of *Spain The Centre of the World* At the conclusion of the American Revolution half the modern United States was part of the vast Spanish Empire The year after Columbus's great voyage of discovery in 1492 he claimed Puerto Rico and the Virgin Islands for Spain For the next three hundred years thousands of proud Spanish conquistadors and their largely forgotten Mexican allies went in search of glory and riches from Florida to California Many died few triumphed Some were cruel some were curious some were kind Missionaries and priests yearned to harvest Indian souls for God through baptism and Christian teaching Theirs was a frontier world which Spain struggled to control in the face of Indian resistance and competition from France Britain and finally the United States In the 1800s Spain lost it all Goodwin tells this history through the lives of the people who made it happen and the literature and art with which they celebrated their successes and mourned their failures He weaves an epic tapestry from these intimate biographies of explorers and conquerors like Columbus and Coronado but also lesser known characters like the powerful G lvez family who gave invaluable and largely forgotten support to the American Patriots during the Revolutionary War the great Pueblo leader Popay and Esteban the first documented African American Like characters in a great play or a novel Goodwin's protagonists walk the stage of history with heroism and brio and much tragedy

Dissimulation and Deceit in Early Modern Europe Miriam Eliav-Feldon, Tamar Herzog, 2015-09-29 In this book twelve scholars of early modern history analyse various categories and cases of deception and false identity in the age of geographical discoveries and of forced conversions from two faced conversos to serial converts from demoniacs to stigmatics and from self appointed ambassadors to lying cosmographer
