## **Motel America A Statebystate Tour Guide To Nostalgic Stopovers:**

**Motel America** Andrew Wood,Jenny L. Wood,2004 A guide to funky retro and off the beaten path motels around the United States from the author of ROAD TRIP AMERICA Featured motels include one where the windows face a working drive in theater making your bed the best seat in the house and another where each room is an individual teepee Learn the inspiring stories of owners maintaining impossible to duplicate motels in the face of cookie cutter chains      **Remembering Roadside America** John A. Jakle,Keith A. Sculle,2011-09-30 The use of cars and trucks over the past century has remade American geography pushing big cities ever outward toward suburbanization spurring the growth of some small towns while hastening the decline of others and spawning a new kind of commercial landscape marked by gas stations drive in restaurants motels tourist attractions and countless other retail entities that express our national love affair with the open road By its very nature this landscape is ever changing indeed ephemeral What is new quickly becomes old and is soon forgotten In this absorbing book John Jakle and Keith Sculle ponder how Roadside America might be remembered especially since so little physical evidence of its earliest years survives In straightforward and lively prose supplemented by copious illustrations historic and modern photographs advertising postcards cartoons roadmaps they survey the ways in which automobility has transformed life in the United States Asking how we might best commemorate and preserve this part of our past which has been so vital economically and politically so significant to the cultural aspirations of ordinary Americans yet so often ignored by scholars who dismiss it as kitsch they propose the development of an actual outdoor museum that would treat seriously the themes of our roadside history Certainly museums have been created for frontier pioneering the rise of commercial agriculture and the coming of water and steam powered industrialization and transportation especially the railroad Is now not the time the authors ask for a museum forcefully exploring the automobile s emergence and the changes it has brought to place and landscape Such a museum need not deny the nostalgic appeal of roadsides past but if done properly it could also tell us much about what the authors describe as the most important kind of place yet devised in the American experience John A Jakle is Emeritus Professor of Geography at the University of Illinois Urbana Champaign Keith A Sculle is the former head of research and education at the Illinois Historic Preservation Agency They have coauthored such books as America s Main Street Hotels Transiency and Community in the Early Automobile Age Motoring The Highway Experience in America Fast Food Roadside Restaurants in the Automobile Age and The Gas Station in America      *Life Behind the Lobby* Pawan Dhingra,2012-04-25 Indian Americans own about half of all the motels in the United States Even more remarkable most of these motel owners come from the same region in India and although they are not all related seventy percent of them share the surname of Patel Most of these motel owners arrived in the United States with few resources and broadly speaking they are self employed self sufficient immigrants who have become successful they live the American dream However framing this group as embodying the American dream has profound implications It perpetuates

the idea of American exceptionalism that this nation creates opportunities for newcomers unattainable elsewhere and also downplays the inequalities of race gender culture and globalization immigrants continue to face Despite their dominance in the motel industry Indian American moteliors are concentrated in lower and mid budget markets Life Behind the Lobby explains Indian Americans simultaneous accomplishments and marginalization and takes a close look at their own role in sustaining that duality The Publishers Weekly ,2004 **State by State Guide to Budget Motels** Loris G. Bree,1987

**Sleeping Around in America** Andrew Beattie,2020-03-11 Explore 50 of America s remaining iconic roadside motels Admire the magical allure of their neon signs unique architecture and their beautiful design that beckon you off the highway through a collection of astonishing photographs Meet the moteliors creating the experience for a new generation to enjoy The stories and photographs in Sleeping Around in America give readers an opportunity to rekindle fond memories of family vacations road trips and childhood experiences while providing a roadmap of motels where they can travel to today A book to satisfy armchair travellers American pop culture enthusiasts and nostalgia seeking adventure romantic explorers **State by State Guide to Budget Motels, 1992** Loris G. Bree,1992-01-01 The Motel in America John A. Jakle,Keith A. Sculle,Jefferson S. Rogers,1996 In the second volume of the acclaimed Gas Food Lodging trilogy authors John Jakle Keith Sculle and Jefferson Rogers take an informative entertaining and comprehensive look at the history of the motel From the introduction of roadside tent camps and motor cabins in the 1910s to the wonderfully kitschy motels of the 1950s that line older roads and today s comfortable but anonymous chains that lure drivers off the interstate Americans and their cars have found places to stay on their travels Motels were more than just places to sleep however They were the places where many Americans saw their first color television used their first coffee maker and walked on their first shag carpet Illustrated with more than 230 photographs postcards maps and drawings The Motel in America details the development of the motel as a commercial enterprise its imaginative architectural expressions and its evolution within the place product packaging concept along America s highways As an integral part of America s landscape and culture the motel finally receives the in depth attention it deserves **1996 State by State Guide to Budget Motels** Loris G. Bree,Louis T. Bree,1995-09 *State by State Guide to Budget Motels* Loris G. Bree,1988-04-01 **1985-86 State by State Guide to Budget Motels** Loris G. Bree,1985-01-01 **Sleeping Around in America** Andrew Beattie,2020 Explore 50 of America s remaining iconic roadside motels Admire the magical allure of their neon signs unique architecture and their beautiful design that beckon you off the highway through a collection of astonishing photographs Meet the moteliors creating the experience for a new generation to enjoy The stories and photographs in Sleeping Around in America give readers an opportunity to rekindle fond memories of family vacations road trips and childhood experiences while providing a roadmap of motels where they can travel to today Publisher s description **State by State Guide to Budget Motels, 1993** Loris G. Bree,1992-09-01 **State by State Guide to Budget Motels, 1994** Loris C Bree,Loris G. Bree,1993-09 This updated directory lists selected motels throughout

the US and Canada offering accommodations for 45 or less for two people Entries are listed alphabetically by state and then by city and include street addresses telephone numbers fax numbers toll free numbers for reservations and directions
