Mother Clap's Molly House:

Mother Clap's Molly House Mark Ravenhill, 2014-05-29 Like bawdy Shakespeare meets wild Wycherley filtered through the formalised camp of John Osborne's *A Patriot for Me* how wonderful to see the rabid raw talent of Ravenhill given the full works Michael Coveney Daily Mail It's London 1726 and Mrs Tull's got problems The whores are giving her a hard time a man in a dress is looking for a job her husband has a roving eye and the apprentice boy keeps disappearing for a wander Meanwhile in 2001 a group of wealthy gay men are preparing for a raunchy party Mother Clap's Molly House a black comedy with songs is a celebration of the diversity of human sexuality an exploration of our need to form families and a fascinating insight into a hidden chapter in London's history Ravenhill's writing is tough eloquent sardonic with some of the barbed formality of the Restoration style which gets brutally peeled off in the present day scenes This is not a play you enjoy This is not a gay play either The message of this play is not Come out but Come in John Peter Sunday Times Mark Ravenhill clearly likes to have it both ways In this wonderfully exuberant new musical play he celebrates Sodom like there's no Gomorrah Delicate souls may be offended but there is no doubting the sincerity of Ravenhill's assault on the transformation of sex into a dirty business Michael Billington Guardian A theatrical manifesto for sexual tolerance that teeters wildly between the politics of Bertolt Brecht and the in your face deviancy of a gay nightclub Ravenhill combines graphic sex with a generosity of spirit Charles Spencer Daily Telegraph Mother Clap's Molly House premiered at the Royal National Theatre London in October 2001

Mother Clap's Molly House Rictor Norton, 1992 This pioneering historical study is the first comprehensive chronicle of the English gay community at its 18th century roots sporting for the first time a distinctive subculture with its molly houses sodomites walks maiden names and gay slang Rictor Norton's research into trial records and contemporary documents establishes a vital cornerstone for the reconstruction of gay history Challenging in its demonstration that the molly subculture was primarily a working class community of blacksmiths milkmen publicans and shopkeepers Mother Clap's Molly House also records the exuberant lives of personalities such as Charles Hitchin the thief taker the dramatists Samuel Foote and Isaac Bickerstaff William Beckford of Fonthill and Rev John Church prosecuted for his blessing of gay marriages All these are set against a backdrop of persecution blackmail and the pillory And yes Mother Clap's actually was the name of a prominent molly house

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing

present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Shopping and F***ing** Mark Ravenhill,2013-12-02

Shopping and F ing is Falling in love with your best friend if you can get the right mix of Es and whizz Passion buried beneath layers of bubble and wrap and cellophane A world where microwaves are the only source of heat A place where Shopping is sexy and F ing is a job And if you killed someone what would it feel like Or maybe there are no feelings left Shopping and F ing is a witty and shocking look at a corrosive disposable world whose values have been determined by a disinherited generation SHOPPING AND FUCKING is a darkly humorous play for today s twenty somethings a real coup de theatre Nicholas de Jongh Evening Standard Bent Is Not Broken M. J. Buckman,2023-11-01 WINNER OF THE 2023 QUEER INDIE AWARD FOR BEST NON FICTION The struggles I had coming to terms with my mental health issues mirror the struggles that some LGBT people have in accepting themselves In the 1980s M J thrived in London s gay subculture Being a fag hag was fun exciting and all consuming But amongst all her bent friends trying to find themselves was she losing herself instead Now turning sixty M J looks back on that time and the journey she has taken to have a stronger and healthier relationship with herself Through interviews with LGBT people of all ages she explores the pain of being on the outside and the wonder of finding your tribe Blending these personal histories with a deep exploration of how society has represented LGBT people throughout history M J creates an uplifting and impassioned book about accepting ourselves and each other

Crime and Punishment in the Royal Navy of the Seven Years' War, 1755-1763 Markus Eder,2004 In all this volume will be invaluable not only to scholars of the Royal Navy but to all those with an interest in crime and punishment in wider eighteenth century British society Jacket Black Plaques London John Ambrose Hide,2019-05-15 Black Plaques are not to be found proudly mounted on a wall and for good reason What with their commemoration of a brutal execution outside Westminster Abbey the selling of sex toys in St James s Park and an intruder at Buckingham Palace with Royal undergarments stuffed down his trousers this is not sort of historical subject matter that authorities choose to grace a building s facade or depict on a visitor information board In fact many might hope that such indecorous and inconvenient

episodes remain quietly overlooked But this book jogs such artful lapses of memory and at more than one hundred locations across London Black Plaques lift the carefully placed rug to discover an unsightly but strangely beckoning stain **Current Contents** Institute for Scientific Information (Philadelphia),2002 *The Sleeping House (New Edition)* Natascha Bialy,2024-10-11 The twin sisters Crystal and Diamond are born in NEW OR LEANS in the middle of the times of slavery in 1888 under tragic circumstances Shortly after their birth their parents die again under mysterious circumstances In addition a sinister fellow soon appears on the scene who embodies nothing less than the devil himself BELPHEGOR He tries to win over the twins foster parents and later the twins themselves to his dark intentions with the aim of establishing terror and world domination Will he succeed *Byron's Othered Self and Voice* Abigail Keegan,2003 By analyzing the English Romantic Era s masculine gender norms as a set of contrasts between a heterosexual norm and a sodomitic other this book isolates four tropes that distinguish the sodomite criminality silence effeminacy and foreignness These tropes are then traced through Byron s early poetry the first two cantos of Childe Harold and the popular Oriental tales demonstrating the ways the Byronic persona and the Byronic hero are deeply indebted to the conflicted sites of homosexual meaning in the Romantic age Discussions of legal and literary cases as well as attention to the political implications of heterosexuality as an ideal created to serve a re productive ideology of empire make this study of interest not only to Romantic scholars but also to scholars of gender theory history and postcolonial studies **Arts & Humanities Citation Index** ,2002 **Strangely, Incredibly Good** Heather Grace Stewart,2014-06-17 Cat Glamour is lost in a world of pain and self imposed guilt She hides behind her weight her children and a past she can t forget While her 91 year old decidedly different grandmother provides emotional support Cat needs to take control of her life which has been shattered by her abusive ex husband and tragic events of the past On the day Cat decides to start an exercise routine the last thing she expects is a modern day genie to pop out of her Wii machine Unfortunately for Cat her genie is somewhat unreliable in his wish granting capabilities In a series of hilarious misadventures he sends Cat to a castle in France and back in time 20 years in an attempt to solve both Cat s weight issues and emotional stresses Cat s journey is one filled with quirky adventures realistic love and above all self discovery **Smile** Roddy Doyle,2018-10-16 From the author of the Booker Prize winning Paddy Clarke Ha Ha Ha a bold haunting novel about the uncertainty of memory and how we contend with the past It s his bravest novel yet it s also by far his best npr org The closest thing he s written to a psychological thriller The New York Times Book Review Just moved into a new apartment alone for the first time in years Victor Forde goes every evening to Donnelly s for a pint a slow one One evening his drink is interrupted A man in shorts and a pink shirt comes over and sits down He seems to know Victor s name and to remember him from secondary school His name is Fitzpatrick Victor dislikes him on sight dislikes too the memories that Fitzpatrick stirs up of five years being taught by the Christian Brothers He prompts other memories of Rachel his beautiful wife who became a celebrity and of Victor s own small claim to fame as the man who would say the unsayable on the radio But it s the memories
