**Mother America** Carlos Pena Romulo,1974      **Mother America** Carlos P. Romulus,1974      The Anticolonial Transnational Erez Manela,Heather Streets-Salter,2023-08-24 The first volume to explore transnational anticolonialism as a global phenomenon spanning the entire twentieth century Leading scholars demonstrate that anticolonial movements everywhere in this period were invariably transnational in terms of their imaginaries mobilities and networks and that their legacies fundamentally shaped the present      The Blue-Eyed Enemy Theodore Friend,2014-07-14 The Blue Eyed Enemy is a comprehensive account of the interwoven histories of the three major archipelago nations of the West Pacific during the years of the Second World War Theodore Friend examines Japanese colonialism in Indonesia and the Philippines as an example of recurring patterns of domination and repression in that region He depicts Japanese rule in Greater East Asia as expressive of the folly of the general who exhorted his troops to annihilate the blue eyed enemy and their black slaves At the same time he clearly shows where the return of Western power aimed at new links between conqueror and conquered or lords and bondsmen Throughout the work one encounters an infectious sympathy for those afflicted by imperialism and racism from whatever source at whatever time The book is based on documentary research in Japan Indonesia and the Philippines as well as in the United States and the Netherlands and on over one hundred interviews with major actors and key observers of the era The analysis balances an eclectic use of social science perspectives with a humanistic concreteness and leads to new understanding of leaders like Sukarno and Hatta Jose P Laurel and Benigno Aquino Sr and Generals Yamashita and MacArthur As comparative tropical history it elucidates the contrasting cultural traditions and political psychologies of Indonesia and the Philippines and explains why 1945 was a year of dramatic contrast reoccupation and revolution for the first country and liberation and restoration for the latter Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      Mother America, a Living Story of Democracy Carlos Peña Romulo,1943      Gendering the Trans-Pacific World ,2017-03-06 As the inaugural volume of the new Brill book series Gendering the Trans Pacific World Diaspora Empire and Race this anthology presents an emergent interdisciplinary and multidisciplinary field that highlights the inextricable link between gender and the trans Pacific world The anthology features twenty one chapters by new and established scholars and writers They collectively examine the geographies of empire the significance of intimacy and affect the importance of beauty and the body and the circulation of culture This is an ideal volume to introduce advanced undergraduate and graduate students to Transpacific Studies and gender as a category of analysis Gendering the Trans

Pacific World Diaspora Empire and Race is now available in paperback for individual customers      Human Rights and the Negotiation of American Power Glenn Mitoma, 2013-04-09 The American attitude toward human rights is deemed inconsistent even hypocritical while the United States is characterized or self characterized as a global leader in promoting human rights the nation has consistently restrained broader interpretations of human rights and held international enforcement mechanisms at arm's length Human Rights and the Negotiation of American Power examines the causes consequences and tensions of America's growth as the leading world power after World War II alongside the flowering of the human rights movement Through careful archival research Glenn Mitoma reveals how the U.S. government key civil society groups Cold War politics and specific individuals contributed to America's emergence as an ambivalent yet central player in establishing an international rights ethic Mitoma focuses on the work of three American civil society organizations the Commission to Study the Organization of Peace the National Association for the Advancement of Colored People and the American Bar Association and their influence on U.S. human rights policy from the late 1930s through the 1950s He demonstrates that the burgeoning transnational language of human rights provided two prominent United Nations diplomats and charter members of the Commission on Human Rights Charles Malik and Carlos Romulo with fresh and essential opportunities for influencing the position of the United States most particularly with respect to developing nations Looking at the critical contributions made by these two men Mitoma uncovers the unique causes tensions and consequences of American exceptionalism      **How to Hide an Empire** Daniel Immerwahr, 2019-02-19 Named one of the ten best books of the year by the Chicago Tribune A Publishers Weekly best book of 2019 A 2019 NPR Staff Pick A pathbreaking history of the United States overseas possessions and the true meaning of its empire We are familiar with maps that outline all fifty states And we are also familiar with the idea that the United States is an empire exercising power around the world But what about the actual territories the islands atolls and archipelagos this country has governed and inhabited In How to Hide an Empire Daniel Immerwahr tells the fascinating story of the United States outside the United States In crackling fast paced prose he reveals forgotten episodes that cast American history in a new light We travel to the Guano Islands where prospectors collected one of the nineteenth century's most valuable commodities and the Philippines site of the most destructive event on U.S. soil In Puerto Rico Immerwahr shows how U.S. doctors conducted grisly experiments they would never have conducted on the mainland and charts the emergence of independence fighters who would shoot up the U.S. Congress In the years after World War II Immerwahr notes the United States moved away from colonialism Instead it put innovations in electronics transportation and culture to use devising a new sort of influence that did not require the control of colonies Rich with absorbing vignettes full of surprises and driven by an original conception of what empire and globalization mean today How to Hide an Empire is a major and compulsively readable work of history      Teacher's Manual for Use with Living in Our America Edward August Krug, 1961      **Musical Renderings of the Philippine Nation** Christi-Anne Castro, 2011-05-05 The

first cultural history of the Philippines during the twentieth century Musical Renderings of the Philippine Nation focuses on the relationships between music performance and ideologies of nation Spanning the hundred years from the Filipino American War to the 1998 Centennial celebration of the nation s independence from Spain the book has added emphasis on the period after World War II Author Christi Anne Castro describes the narratives of nation embedded in several major musical genres such as classical music and folkloric song and dance and enacted by the most well known performers of the country including Bayanihan The Philippine National Dance Company and the Philippine Madrigal Singers Castro delves into the ideas and works of prominent native composers from the popular art music of Francisco Santiago and Lucio San Pedro to the People Power anthem of 1986 by Jim Paredes of the group Apo Hiking Society Through both archival research and ethnographic fieldwork Castro reveals how individuals and groups negotiate with and contest the power of the state to define the nation as a modern and hybrid entity within a global community **Letters from Home** James K. Thome,2020-12-01

Letters From Home consists of a collection of original letters The people who wrote the letters were Americans most of them members of an extended family They were written during World War II from 1943 to 1945 The letters in this book contain the thoughts concerns hopes dreams worries and anxieties of Americans during World War II in their own words There are many individual stories within the letters Those stories describe not only events and places but people who endured and triumphed during a very difficult and historic time American Colonisation and the City Beautiful Ian Morley,2019-10-30 Winner of the 2020 IPHS Koos Bosma Prize American Colonisation and the City Beautiful explores the history of city planning and the evolution of the built environment in the Philippines between 1916 and 1935 In so doing it highlights the activities of the Bureau of Public Works Division of Architecture as part of Philippine national development and decolonisation Morley provides new archival materials which deliver significant insight into the dynamics associated with both governance and city planning during the American colonial era in the Philippines with links between prominent American university educators and Filipino architecture students The book discusses the two cities of Tayabas and Iloilo which highlight the significant role in the urban design of places beyond the typical historiographical focus of Manila and Baguio These examples will aid in further understanding the appearance and meaning of Philippine cities during an important era in the nation s history Including numerous black and white images this book is essential for academics researchers and students of city and urban planning the history and development of Southeast Asia and those interested in colonial relations *A Pocket Guide to the Philippines* ,1961 **What Lies Ahead for the Philippines?** American Historical Association. Historical Service Board,1945

**Concrete Colonialism** Diana Jean S. Martinez,2025-08-08 Diana Jean S Martinez examines the US colonial project in the Philippines through the innovative use of reinforced concrete a technology that dominated early twentieth century construction **Asian Americans** Xiaojian Zhao,Edward J.W. Park Ph.D.,2013-11-26 This is the most comprehensive and up to date reference work on Asian Americans comprising three volumes that address a broad range of

The Top Books of the Year Mother America A Living Story Of Democra The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Mother America A Living Story Of Democra : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papien, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
