Mother How Could You:

Mother, How Could You! , *When You and Your Mother Can't Be Friends* Victoria Secunda,2009-11-04 A book of great value for every daughter and every mother useful for sons too Benjamin Spock M D From the Introduction The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers or at least recognize and accept that their mothers did the best they could even if it wasn't good enough and to stop blaming them Among the issues to be covered To understand how a daughter's attachment to her mother more so than her relationship with her father colors all her other relationships and to analyze why it is more difficult for daughters than sons to separate from their mothers as well as why daughters are more subject than sons to a mother's manipulation To recognize the difference between a healthy and a destructive mother daughter connection and to define clearly the bad mommy in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them To conjugate what I call the Bad Mommy Taboo why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters To describe the evolution of the unpleasable mother in all likelihood she was bereft of maternal love as a child and to recognize the huge and often poignant stake she has in keeping her grown daughter dependent and off balance To illustrate the consequent controlling behavior in some cases cloaked in fragility or good intentions of such mothers which falls into general patterns including the Doormat the Critic the Smotherer the Avenger the Deserter To understand that the daughter has a similar stake in either being a slave to or hating her mother the two sides of her dependency and immaturity To illustrate the responsive behavior and survival mechanisms of daughters which is determined in part by such variables as birth rank family history and temperament and which also falls into patterns including the Angel the Superachiever the Cipher the Troublemaker the Defector To show how to redefine the mother daughter relationship so that each can learn to see and accept the other as she is today appreciating each other's good qualities and not being snared by the bad Finally to demonstrate that a redefined relationship with one's mother adult to adult frees you from the past whether that redefinition ultimately results in real friendship affectionate truce or divorce **Gospel Herald** ,1915 [Moderator-topics](#) ,1910

decision you have ever made No one understands the delicate mother daughter dynamic better than Kate Siegel her own mother drove her so crazy that she decided to broadcast their hilarious conversations on Instagram Soon hundreds of thousands of people were following their daily text exchanges eager to see what outrageous thing Kate s mom would do next Now in Mother Can You NOT Kate pays tribute to the woman who invented the concept of drone parenting From embarrassing moments like crashing Kate s gynecological exams to outrageous stories like the time she made Kate steal a cat from the pound to hilarious celebrations including but not limited to parties for Kate s menstrual cycles Mother Can you NOT lovingly lampoons the lengths to which our mothers will go to better our lives even if it feels like they re ruining them in the process
