Cunningham,2003 This work focuses on the efforts toward reforming women s dress that took place in Europe and America in the latter half of the 18th century and the first decade of the 20th century and the types of garments adopted by women to overcome the challenges posed by fashionable dress It considers the many advocates for reform and examines their motives their arguments for change and how they promoted improvements in women s fashion Though there was no single overarching dress reform movement it reveals similarities among the arguments posed by diverse groups of reformers including especially the equation of reform with an ideal image of improved health Drawing on a variety of primary and secondary sources in the USA and Europe including the popular press advice books for women allopathic and alternative medical literature and books on aesthetics art health and physical education the text makes a significant contribution to costume studies social history and women s studies Old Mother Hubbard's Hungry Family Carrie Smith,2008 Big Book Script Ishmael Reed Ishmael Reed,2009-09-01 Ishmael Reed s career as one of our great playwrights has long been eclipsed by his other work Here published for the first time Reed s plays follow the ancient tradition of using the theater as a forum in which the official versions of our history can be critiqued Dealing with subjects that mainstream theatergoers might find disturbing homelessness the arbitrary entrapment of a black politician the excesses of the radical feminist movement the use of black conservatives to promote right wing agendas the exploitation of blacks and Africans as unsuspecting guinea pigs by the pharmaceutical industry and the hypocrisy of the Christian church Reed s plays are a pungent antidote to the watered down world of contemporary pop culture where Reed argues minority voices remain as marginalized and stigmatized as they were a hundred years ago *Old mother Hubbard [by S.C. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
