

IN HONOR OF MARY'S NATIVITY

"She is far more precious than jewels"
— Proverbs 3:15

MARY, MY MOTHER,
IMMACULATE CONCEPTION.
Live in me. Act in me. Speak in and
through me. Think your thoughts in
my mind. Love, through my heart.
Please give me your dispositions and
feelings. Teach, lead and guide me to
Jesus. Correct, enlighten and expand
my thoughts and behavior. Possess
my soul. Take over my entire
personality and life. Replace
it with yourself. Incline me
to constant adoration and
thanksgiving. Pray in me
and through me.
Let me live in you and
keep me in this union
always and forever!

Happy
Birthday to the
Sweetest
Mom
In the World!

Mother Marys Final Message:

The Last Message of Jesus Christ John Hamilton Timbrell, 1905

The Virgin of El Barrio Kristy

Nabhan-Warren, 2005-05-01 In 1998 a Mexican American woman named Estela Ruiz began seeing visions of the Virgin Mary in south Phoenix. The apparitions and messages spurred the creation of Mary's Ministries, a Catholic evangelizing group, and its sister organization ESPIRITU, which focuses on community-based initiatives and social justice for Latinos. Based on ten years of participant observation and in-depth interviews, *The Virgin of El Barrio* traces the spiritual transformation of Ruiz, the development of the community that has sprung up around her, and the international expansion of their message. Their organizations blend popular and official Catholicism as well as evangelical Protestant styles of praise and worship, shedding light on Catholic responses to the tensions between popular and official piety and the needs of Mexican Americans.

The Vials of the Seven Last Plagues Elizabeth Clare Prophet, Seven Archangels, 2004-04 Chapter 15 of the Book of Revelation begins with a vision of seven angels who pour their vials over the earth, the vials of the seven last plagues. As these vials are poured out, the Apostle John describes rivers and seas turned to blood, thunders and lightnings, a great earthquake and darkness. What does this prophecy mean for us today? Here is the real story of what is happening on planet earth and what will happen from the point of view of the seven archangels. Read their words and learn how you can navigate through these challenging times.

Come Walk with Me: Messages from Yeshua Jeri Castronova PhD, 2023-08-10 This is not a religious book. These stories came before religion. These are the stories the patriarchy deleted: the truth of Yeshua's life that have never been told until now. Yeshua could not have become the Divine Masculine Christ without his Divine Feminine counterpart. This book is for those who thirst for more about the true teachings, healings, miracles, travels to Tibet, India, Glastonbury, Egypt, Turkey, France, and marriage to his Beloved Mary Magdalene. Many Christians believe all they have to do is believe in Yeshua without doing anything else: no kindness to others or to animals, no helping the poor, no generosity to the sick. Yeshua emphasized serving others and doing inner work by living his teachings through the loving vibration of his words. Many have given up on Yeshua and turned to new gods: money, technology, science, and control. They don't realize they have insulted not only themselves but God. They willingly submit to mass hypnosis, which keeps them under the spell of evil leaders who claim their souls and keep them subservient to satanic forces. In past-life regressions many years ago, the Author saw herself as an apostle who was close to Yeshua. She never told anyone about this life or other lifetimes, but they opened up new vistas in her current life that brought realization of new talents that could be reawakened. And so began memories of her life as the Apostle John, not the Baptist, rather the one known as John the Beloved. Yeshua said many of her memories would be in the book as personal experiences and eye-witness accounts to healings, miracles, travels, and quiet moments of contemplation with the followers of Yeshua. Today the Romans didn't want people to worship a God, Goddess, or anyone else except them. So it was then, and so it is now. They were the reptilians, the dracos, and the cabal. They later became the Nazis, the Bolsheviks, the

communists and the socialists in your countries They are the same as they were when I walked with you in those days It has taken two thousand years for people to wake up to the slavery they live under You incarnated now to clear the earth of these evil ones and deliver Gaia to her peaceful loving Beauty she deserves A Message from Mary Magdalene I have had so many lifetimes always returning in forms to serve the Mother and to be a physical embodiment of love of beauty so being the Oracle at Delphi was my role appropriate to that time when the seeker shall we say of which you were one believed that they had to find one who had the wisdom insight the vision to guide them but the important part of this is the advancement of what we would call human and spiritual evolution that they have moved so far beyond this My Beloved Sisters and Brothers None of you have come to the planet at this time to be hidden away whether it is a temple a cave or social isolation You have not come to live that way So what I say to you which is what I have said always STEP FORWARD AND DECLARE YOUR FREEDOM and it is too DARN BAD if those who are nervous or insular do not like what you have to say IT IS TIME TO BE HEARD It is time for your voice to ring out It is the vibration that courses through the words The vibration of love and yes the vibration of truth as well And there are many upon the planet even now who are experiencing the fulfillment of what they have been told long ago in Delphi This is the generation that is seeing Revelation come to fruition Yeshua calls to You who feel lost controlled or beaten down by life He tells You to not lose Hope His Love is around You sustained by the Holy Breath of God The Last Thing She Remembers J. S. Monroe, 2019-05-28 A woman with amnesia stirs up trouble for an English village and its residents in this psychological thriller by the bestselling author of Find Me Who can you trust if you don't know who you are She arrives at the train station only to realize her bag had been stolen her passport credit cards laptop house key now all gone And even more disturbing when she goes to report the incident she can't recall her own name All she has on her is a train ticket home Suffering from stress induced amnesia the woman without a name is a source of mystery when she appears at the sleepy Wiltshire village where she thought she lived She quickly becomes a source of conspiracy and fear among the townspeople Why does one think he recognizes her from years earlier And why do the local police take such a strong interest in her arrival From the critically acclaimed author of Find Me comes a shocking new tale of dark pasts and deception leaving us breathlessly analyzing the role memory plays in defining who we are and who others think we might be

The Worship of the Blessed Virgin Mary: Truths and Lies ETAN BRUNO, **Mothers on the Margin?** E. Anne Clements, 2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and

what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew's Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel's identity in terms of ethnicity marginality and gender The women signal that Matthew's Gospel is concerned with the construal of a new identity for the people of God

A Compilation of the Messages and Papers of the Presidents (Complete) James Daniel Richardson, United States Presidents, 1916-01-01 The messages of the several Presidents of the United States annual veto and special are among the most interesting instructive and valuable contributions to the public literature of our Republic They discuss from the loftiest standpoint nearly all the great questions of national policy and many subjects of minor interest which have engaged the attention of the people from the beginning of our history and so constitute important and often vital links in their progressive development The proclamations also contain matter and sentiment no less elevating interesting and important They inspire to the highest and most exalted degree the patriotic fervor and love of country in the hearts of the people It is believed that legislators and other public men students of our national history and many others will hail with satisfaction the compilation and publication of these messages and proclamations in such compact form as will render them easily accessible and of ready reference The work can not fail to be exceedingly convenient and useful to all who have occasion to consult these documents The Government has never heretofore authorized a like publication In executing the commission with which I have been charged I have sought to bring together in the several volumes of the series all Presidential proclamations addresses messages and communications to Congress excepting those nominating persons to office and those which simply transmit treaties and reports of heads of Departments which contain no recommendation from the Executive The utmost effort has been made to render the compilation accurate and exhaustive Although not required by the terms of the resolution authorizing the compilation it has been deemed wise and wholly consistent with its purpose to incorporate in the first volume authentic copies of the Declaration of Independence the Articles
