- Ben has many interests, such as playing football for the school team, being an excellent musician and a sports leader. Ben also loves playing video games and watching a comedy singing lunch session.
- Ben is profoundly deaf. Ben has never hearing him and sign language is his preferred method of communication. Ben is unable to hear without the use of hearing aids and sign support. I Sign, Therefore I Am Juhana Salonen,2021-11-01 *I Sign Therefore I Am* is the powerful story of a deaf young man struggling with his identity and of his growth into a sign language user who is proud of his culture Being the deaf child of hearing parents and the only deaf person in my early surroundings these were the foundations for the identity crisis I underwent in my youth The crisis could have had a tragic end but fortunately in my case it did not It took years of searching however to finally grow into my identity as a deaf person and to adopt Finnish Sign Language as my mother tongue I wrote this book to share my life experiences with members of any linguistic or cultural minority This is a highly topical issue in society as such minorities are increasingly in

the limelight Many automatically assume that minorities have it bad and that their members deviate in a negative sense from the majority population also in other ways This book offers excellent opportunities for seeing the world through a deaf person's eyes and for correcting misguided views At the same time it provides compelling evidence of the benefits of deafness and sign language for both the deaf and the population at large
