Academy Awards Paul Michael,1975 And the Loser is: A History of Oscar Oversights [2nd Edition] Aubrey

Malone,2020-10-06 This is the first book of its kind Aubrey Malone has gone back to the start of the Oscar ceremonies and discovered that mistakes have been made every year in the choice of what has been deemed best in the categories of acting directing producing and the subsidiary awards He has identified all the great stars Garbo Montgomery Clift Peter O Toole Barbara Stanwyck etc who never held Oscars in their hands and also iconic directors like Stanley Kubrick who were never thus honored Why were some people over rewarded by the Academy and why did others fall below the radar The author outlines all of the extraneous factors leading to voting choices and how Oscar pariahs have often been subsequently or even posthumously awarded for the wrong films to make up for omissions in a given year With both wit and wisdom he has written an alternative history of the Oscars that will be required reading for both academics and film buffs alike It tells the story behind the story If there were Oscars for research Aubrey Malone would be right up there with the best of them Film Ireland

Oscar's Favorite Actors Roger Leslie,2017-07-14 Just as the Academy Awards have an impact upon stars and their careers their filmic achievements influence the Academy and contribute to the rich history of the Oscars Upset wins jarring losses and glaring oversights have helped define the careers of Hollywood icons while unknown actors have proven that timing sometimes beats notoriety or even talent With detailed discussion of their performances and Awards night results this book describes how 108 actors earned the Academy s favor and how 129 others were overlooked Best Songs of the Movies John Funnell,2014-12-24 Thanks for the Memory Swinging on a Star The Way You Look Tonight Three great and popular standards of the American songbook and all three won Oscars for best song But who wrote these songs What movies were they written for Which stars introduced them In the 25 years covered by this book 160 songs were nominated for Academy Awards Some are well known but many are nearly forgotten They deserve more lasting recognition Best Songs of the Movies tells the stories behind all these songs year by year After announcing the nominated songs the text describes the way each song was presented and performed critiques the lyrics and melody and provides appropriate historical and biographical insights One appendix presents brief biographies of all the lyricists and composers responsible for these songs another lists the Oscar nominated and winning songs from 1959 through 2003 A bibliography and index complete the volume

Film Study Frank Manchel,1990 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities *A Conservative Christian Reviews the*

Greatest Movies Ever Made George McManus,2003-07 *The Academy Awards Index* ,1993-11-19 This detailed reference provides a complete record of Academy Award winners and nominees through 1991 All nominees in all categories are listed and the volume includes recipients of special awards as well Each award category begins with a short headnote that traces the development of the award and discusses significant facts about it The award categories are divided into sections for each year Within the listing for a particular year are the nominees for the award related credits and the winner of the award *Shale* begins with a short historical overview of the Academy of Motion Picture Arts and Sciences Part I lists Academy Award winners and nominees by award categories with sections devoted to annual awards other awards and discontinued categories Part II is a chronological index of Academy Awards Thus full information for an award can be located through either the type of award or the year *Shale* concludes with appendices of academy founders presidents and directors of best pictures a selected annotated bibliography and an index The result is the most comprehensive record of the Academy Awards available
