**The Lion And The Lamb** Richard T. Leonard,2012-08-18 Containing the 2 Esdras Second book of Esdras A Apocrypha Bible end time prophecy My reason for writing of The Lion and The Lamb volumes is mainly to learn End Time Prophecy through this and other ancient writings besides the books in the Bible As I research and write the books I may take foot notes that are included in these books The original text themselves are unaltered by me and are from the original author or interpretation to the best of my knowledge I decided to publish these studies so that I could share them with the public as well as provide myself with a hard copy for my personal library A lot of these books are hard to find published so you might enjoy them in your library as well Also note there is usually more than one book written by different authors in each of my volumes and I am Christian based so I do compare and refer to the Bible in my notes      **Works** Thomas Chalmers,1836
