Ostermans War:

Osterman's War James J. Cullen, 2000-12 In February of 1945 the Third Reich is in its death throes The ideological madness that spawned murder and genocide has run its course But one massive shudder is left in the dying beast and ten thousand American and British airmen held captive at Stalag Luft III by their Luftwaffe counterparts are caught up in the cataclysmic event Hitler has ordered their execution S General Ernst Dietrich commander of the SS division responsible for the personal safety of the Fuhrer is given the assignment He in turn directs one of his field commanders General von Hacker to carry out the job Forewarned Camp Commandant Hauptman Kettenbach is appalled by the SS order He splits his charges into two groups and sends the smaller one a decoy group of two thousand to the prearranged railhead at the town of Spremberg In command is his aide Unteroffizier Kurt Osterman The ruse works allowing the remaining eight thousand POWs to be evacuated undetected out of the area Colonel Jackson the senior American officer of the decoy group is told by Osterman of the Spremberg destination and that it is the initial evacuation point from the Russian advance however he is not told of the SS threat nor of his captor's duplicity Jackson's second in command Lieutenant Colonel Benton rugged and obsessively anti German advocates a violent takeover from Osterman and a dash to the Russian lines just 70 kilometers away Jackson puts the suggestion on hold and is supported by the ranking British officer Major Boyle a tank battalion commander and the only ground pounder in camp As the 150 kilometer march to Spremberg begins in below freezing weather the drama unfolds revealing Osterman's vendetta as well as his plan to combat the SS column of executioners Ultimately a strange alliance between the prisoners and their German captors is struck and the battle with the SS begins and ends with Osterman and Dietrich in mortal combat

By the Numbers... James Cullen, 2001 Jim Cullen was one of thousands of kids who fought the air war over Europe during World War II Those youngsters either grew up or blew up in combat Cullen did both when his plane was shot down over Germany He spent the next twenty one months as a prisoner of war Now over fifty five years later he has artfully blended fact fiction and photographs into a most fascinating and memorable account of those heroic times A must read Shirley Cobb Editor

The Seventh Sense James Cullen, 2002-07-14 Eons ago before the voice box there was the essence hormone It supplied the interconnecting communicative link to the senses It also funneled hypersexual signals to the brain Long dormant could this rediscovered vital hormone benefit modern man or would it lead him into uncharted and dangerous waters
