Our Fathers World:

Our Father's World Edward R. Brown, 2008-03-24 What does the Bible have to say about creation care and the responsibility of Christians Edward Brown offers a biblical framework for creation care as well as practical steps that ordinary Christians can take to exercise good ecological stewardship *Our Fathers, Ourselves* Peggy Drexler, 2011-05-10 There s no denying that a woman s relationship with her father is one of the most important in her life And there s also no getting around how the quality of that relationship good bad or otherwise profoundly affects daughters in a multitude of ways In *Our Fathers Ourselves* research psychologist author and scholar Dr Peggy Drexler examines the ways in which the father daughter bond impacts women and offers helpful advice for creating a better stronger more rewarding relationship Through her extensive research and interviews with women Dr Drexler paints an intimate timely portrait of the modern father daughter relationship Women today are increasingly looking to their dads for a less than traditional bond but one that still stands the test of time and provides support respect and guidance for the lives they lead today *Our Fathers Ourselves* is essential reading for any woman who has ever wondered how she could forge a closer connection with and gain a deeper understanding of her father **Our Fathers** Steven L. Shepherd, 2002-07-26 No one questions that men are profoundly influenced by their fathers but the shape and substance of that influence varies with each family In this the first anthology of nonfiction prose to explore this issue in depth editor Steven Shepherd has collected a diverse and invariably compelling group of narratives about sons and their fathers Fourteen excellent essays by some of our best writers says Anne Morris of the Austin American Statesman Among the contributors James Baldwin who reflects in his classic *Notes of a Native Son* on the father he barely knew partly because we shared in our different fashions the vice of stubborn pride The brothers Geoffrey and Tobias Wolff who write of their father from dramatically different perspectives A second generation undertaker Thomas Lynch who writes lovingly of burying his father And the acclaimed scholar of African American culture Henry Louis Gates Jr who grew up with a father who was not a race man yet their arguments were vital to the son s education **Our Fathers' War** Tom Mathews, 2005-05-10 A powerful and unique portrait of generational strife and changing styles of masculinity as seen through the stories of ten World War II veterans and their baby boomer sons It is fair to say that Tom Mathews s relations with his father a veteran of World War II s fabled 10th Mountain Division were terrible He came back from the war to a young son he d barely met and proceeded to bully and browbeat him for his own good he thought In the course of puzzling out almost fifty years of intermittent conflict Mathews came to understand that their problems were not simply personal they were generational and widely shared by millions of other baby boomer sons And so to write this powerful book which traces the kinetic effect of the war on the men who fought it their sons and their grandsons Mathews has uncovered nine other dramatic and telling father son tales of veterans in some ways missing in action and how internal war wounds shaped their lives as fathers These include a combat infantryman whose life was saved by the fabled Audie Murphy and a

black member of the storied Tuskegee Airmen corps In a moving final chapter he and his father return together to Italy to revisit scenes from the war and attempt at long last to forge their own separate peace In a very real sense *Our Fathers War* tells the secret history of World War II and its echoes down the years and generations In the course of doing so it offers a portrait of evolving styles of American manhood that many many fathers and sons have been needing and awaiting **Our Fathers** Andrew O'Hagan,2010-12-03 From the author of the incredible debut novel *Be Near Me* Finalist for the Man Booker Prize the International IMPAC Dublin Literary Award and the Whitbread Award Hugh Bawn was a modern hero a visionary urban planner a man of the people who revolutionized Scotland's residential development after the Second World War But times have changed Now as he lies dying in one of his own failed buildings his grandson Jamie comes home to watch over him The old man's final months bring Jamie to see what is best and worst in the past that haunts them all and he sees the fears of his own life unravel in the land that bred him It is Jamie who tells the story of his family of three generations of pride and delusion of nationality and strong drink of Catholic faith and the end of political idealism It is a tale of dark hearts and modern houses of three men in search of Utopia A poignant and powerful reclamation of the past *Our Fathers* is a deeply felt beautifully crafted utterly unforgettable novel **Worlds of Irving Howe** John Rodden,2015-12-03 *The Worlds of Irving Howe* The Critical Legacy is a wide ranging anthology of criticism devoted to the literary cultural and political work of the writer Irving Howe The book offers a broad cross section of critical and biographical writings about Howe Collected here are assessments of Howe's work written by some of the most prominent intellectuals of the twentieth century among them Lionel Trilling Alfred Kazin C Vann Woodward Robert Coles Daniel Bell Malcolm Cowley and Arthur Schlesinger The critical estimates of Howe's major books collected here and framed by a major biographical introduction by John Rodden constitute a sharply focused lens through which readers can re evaluate the legacy of one of American's leading intellectuals and thereby understand the main issues of twentieth century Anglo American cultural history Contributors Lionel Trilling Alfred Kazin C Vann Woodward Newton Arvin Charles Angoff Edward Dahlberg Isaac Rosenfeld Richard Chase H D Lasswell Dennis Wrong Michael Harrington Christopher Lasch Robert Coles Daniel Bell Malcolm Cowley Arthur Schlesinger Theodore Solotaroff Clive James Norman Podhoretz Irving Kristol and William Phillips among others **Our Fathers' Godsaga** Viktor Rydberg,2003-11 An epic introduction to Norse mythology for students of all ages Based on the research of the 19th century Swedish poet and scholar Viktor Rydberg *Our Fathers Godsaga* retells the mythology of Northern Europe in chronological order from Creation to Ragnar k These are tales told by Vikings epic tales of gods and giants elves and dwarves and of how their interaction and wars affect the first generations of human beings in the North Based on a comprehensive examination of the source material including the Icelandic Eddas and Sagas this is likely the way Germanic mythology looked at the end of the heathen era Many will recognize themes found here in J R R Tolkien's *Silmarillion* particularly the tale of the elf smith V lund and his quest for revenge against the Aesir first detailed by Rydberg in his comprehensive *Investigations into Germanic*

Mythology 1886 This is an original translation of Viktor Rydberg's Farnas Gudasaga his own retelling of the complete Norse mythic epic first published in 1887 and many times since The text includes a complete catalog of mythic names the original artwork from the 1911 German translation by renowned children's artist John Bauer 1882 1918 This classic Swedish text appears in English now for the first time *Fatherless Women* Clea Simon, 2008-05-02 Elegant prose sheds new light on the father daughter dynamic Boston magazine Praise for Fatherless WOMEN If it can be said about a book on loss Fatherless Women is a pleasure to read Clea Simon is a warm honest intelligent and trustworthy guide not only for grieving women but for the men who support them Simon's insights about father daughter relationships are profound Neil Chethik author of FatherLoss Clea Simon deepens our understanding of the complicated emotions daughters feel about fathers both during life and especially after death This book will help heal rifts and set stuck energies free Beth Witrogen McLeod author of Caregiving The Spiritual Journey of Love Loss and Renewal Unusually candid and often provocative Simon's book is immensely thought provoking about a topic that all of us will face Pauline Boss Ph D author of Ambiguous Loss Learning to Live with Unresolved Grief There is a special bond between a father and a daughter and when that bond is broken by death a woman's life can change in profound and unexpected ways Clea Simon critically acclaimed author of Mad House explores this crucial meeting point of grief and growth by delving into her own experience and those of other women to paint an illuminating portrait of the father daughter relationship and its lifelong ramifications Filled with moving stories of real women this poignant comforting and insightful book paves the way for all women to make peace with the past with the adults they have become and to courageously face the question what happens next **Finding Our Fathers** Dan Rottenberg, 1986 In this work Dan Rottenberg shows how to successfully trace your Jewish family back for generations by probing the memories of living relatives by examining marriage licenses gravestones ship passenger lists naturalization records birth and death certificates and other public documents and by looking for clues in family traditions and customs **Transforming the Faiths of Our Fathers** Ann Braude, 2015-04-28 Pundits on both the right and the left often portray religion and feminism as inherently incompatible as opposing forces in American culture Transforming the Faiths of Our Fathers seeks to dispel that notion by asking sixteen well known religious figures to tell the story of how they became involved in the women's movement Their work much of it ongoing has helped transform the way religion is practiced in this country They have worked for the ordination of women for inclusive language and liturgy for new interpretations of scripture theology and religious law and for an end to religious teachings that contributed to destructive gender stereotypes Authors include Protestant Catholic Jewish Muslim Mormon Evangelical and goddess feminists The personal stories of the fascinating contributors include watershed events in American religion and society over the last forty years Each one of the women in Transforming the Faiths of Our Fathers has made history and seen it made and gives her own version of what she has witnessed and experienced They demonstrate the roots of their feminist activism in religious commitments and the
