W. J. Ferrar

Proof Of The Gospel:

The Proof of the Gospel; Two Volumes in One Bishop Eusebius, 2001-03-06 J B Lightfoot ranked Eusebius's Preparation for the Gospel and Proof of the Gospel together as probably the most important apologetic work of the Early church **The Proof of the Gospel** Eusebius (of Caesarea, Bishop of Caesarea), 1981 Eusebius wrote The Proof of the Gospel for those who have passed beyond the need of elementary instruction in Christianity and are already in a state prepared for the reception of the higher truths He intended to convey the exact knowledge of the most stringent proofs of God's mysterious dispensation in regard to our Lord and Saviour Jesus Christ Only ten of the original twenty books comprising this work have survived Books 1 and 2 are introductory Book 3 treats Christ's humanity and is perhaps the most modern part of the argument By an elaborate reductio ad absurdum Eusebius shows dramatically and cogently the impossibility of Jesus Christ being anything but perfect man and divine Books 4 and 5 deal with Christ's divinity and it is in them that passages of an Arian ring appear Books 6-9 discuss the Jesus incarnate life as the fulfillment of prophecy And book 10 reaches the passion and is especially occupied with Judas and the betrayal This edition was first published in 1920 as part of the SPCK's series of Translations of Christian Literature The Proof of the Gospel Eusebius (of Caesarea, Bishop of Caesarea), 1920 **The Proof of the Gospel** Eusebius, 1981 *The Proof Of The Gospel* Bishop Of Caes Eusebius (of Caesarea, 2023-07-18 A major work of early Christian apologetics by the Greek historian and bishop Eusebius of Caesarea The Proof of the Gospel defends the truth of Christianity against critics and offers a detailed account of the life and teachings of Jesus Christ This new translation brings this important text to a wider audience This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Proof of the Gospel, Being the Demonstratio Evangelica: 02; Volume 02 William John Ferrar, Of Caesarea Bishop of Caes Eusebius, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Proof of the Gospel** Eusebius (of Caesarea, Bishop of Caesarea), 2015 *The Proof of the Gospel* Bishop Of Caesare Eusebius (Of Caesarea, 2014-02 This is a reproduction of a book published before 1923 This

The Proof of the Gospel Being the Demonstratio Evangelica of Eusebius of Caesarea, Vol. 1 (Classic Reprint)

W. J. Ferrar,2015-07-12 Excerpt from The Proof of the Gospel Being the Demonstratio Evangelica of Eusebius of Caesarea Vol 1 It is a high privilege to have been allowed to provide a translation of the Demonstratio for in default of a better it must for some time fill the vacant place in English bookshelves beside the noble edition of the Praeparatio which was the work of Archdeacon Gifford s declining years Yet it is an appalling thought that this translation continuing as it does the work of Gifford should in any sense be thought to seek comparison with it The writer has but endeavoured according to his powers and amid other absorbing duties to fill a recognized gap by giving a faithful rendering of the words of Eusebius so that it may be possible for the English student to become acquainted with all that remains of the work to which the Praeparatio was the Introduction He has erred perhaps rather in the direction of literal exactness than of free paraphrase especially in doctrinal sections thinking it primarily necessary to make it clear what Eusebius actually said Limitations of space have made it impossible to reproduce the long passages from the Old Testament upon which Eusebius based his arguments To have retained them in full would have been interesting because of their variations from the text of the LXX but this consideration was hardly important enough to make their inclusion essential About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
