Pursuing The Past:

Past Lives, Present Miracles Denise Linn, 2010-10-08 Miracles can occur in your life easily and effortlessly It s simply a matter of remembering who you are and to do this it s necessary to clear the blockages that stand between you and your soul Almost all of these obstacles have their roots in your distant past so it s valuable to travel back in time to release them However most of us are so caught up in limiting beliefs about who we are that it s almost impossible to take that journey In this book you ll learn how to travel back to your previous incarnations to release buried obstructions so you can create the miracles in your life that you deserve It s safe easy and fun and anyone can do it You ll learn how to discover your past lives without ever doing a regression remove limitations regarding your relationships abundance and health that came from your past lives uncover the symptoms of past life traumas and how to clear them even if you don t believe in reincarnation understand the roles that loved ones played in your previous incarnations find your personal guides spirit guardians and angels and receive their help and much much more

A Classical Tibetan Reader Yael Bentor, 2014-11-18 A Classical Tibetan Reader answers a long standing need for well chosen readings to accompany courses in classical Tibetan language Professor Bentor has built her Tibetan reader out of time tested selections from texts that she has worked with while teaching classical Tibetan over the past twenty years She has assembled here a selection of Tibetan narratives organized to introduce students of the language to complex material gradually and to arm them with ample reference materials in the form of glossaries customized to individual readings Instructors will find this reader an invaluable tool for preparing lesson plans and providing high quality reading material to their students Students too will find the selections contained in the reader engaging Even novice readers of Tibetan will feel welcomed and encouraged thanks to the author s astute judgment of student capacity
