Transforming Lives, Pursuing Excellence, Honoring Jesus through Coaching Christopher M. Schrader, PhD., 2015
Beyond a Whistle and a Prayer will forever change the way you look at sports and coaching Society advocates sports as a means to instill virtue and character in our youth But we all know that the system is broken to a large extent from youth sports through college and beyond Too many coaches and parents are driven by the scoreboard the win at all costs model Is it any wonder that 70%% of kids drop out of sports by age 12 Many of us remember the words and actions of coaches for a lifetime What memories are you leaving with your athletes Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well Join the journey and learn to coach with joy Gilbert Tuhabonye Author of This Voice in My Heart 8 time NCAA All American Distance Running Coach

A Liberating Passion Laurayne Hurst, 2025-04-24 This book was born in 2002 as a Bible study that I wrote for the women who gathered at my home to study God's Word At that time I felt that the current culture had been especially good at robbing us of our freedom As I dug into the Word of God to put together the resulting study I realized that the current bondage that plagued our society was common to all people of all generations The basic cause of bondage has been the same for all people since the fall of Adam Sin So the question you must ask yourself is Are you free The Bible tells us that Christ came to set us free in Galatians 5:1 If not the second question that must be asked is Why not As you begin to study the Word through the help of this book pray that the Holy Spirit will increase your hunger your appetite and your passion for a more intimate relationship with Jesus Christ

Paul in the Greco-Roman World: A Handbook J. Philippians John Paul Heil, 2010 This volume employs a text-centered literary rhetorical and audience-oriented method to demonstrate how the implied audience of Philippians are persuaded and exhorted by the dynamic progression of the letter's chiasmic structures to rejoice along with Paul and other believers in being conformed with all of the broad implications of such conformity to Christ This reading assumes that Philippians is a single unified letter written to be read and heard in a public setting as an oral performance substituting for the personal presence

of the imprisoned Paul and it proposes new chiastic structures for the entire letter as a key to understanding it Publisher's description
