The Light Shines on in the Darkness Fr. Robert J. Spitzer, S.J., Ph.D,2017-04-10 Why would an all loving God allow suffering Aren t suffering and love opposed to one another Does suffering have any benefit for this life Does it have any benefit for eternal life Is there any objective evidence for God for a soul that will survive bodily death for the resurrection of Jesus If there is testable objective evidence for a resurrection what is this resurrection like Who is God anyway benevolent and loving or angry and retributive Father Spitzer gives a comprehensive explanation of contemporary evidence for God the soul and the resurrection and helps us understand how God uses suffering to lead us to the resurrection and to compassion

for others He also shows how the Holy Spirit guides us through times of suffering toward our salvation and other s salvation explaining the signs and interior movements that reveal the Spirit s actions But even armed with this eternal perspective serious questions remain If God has power over nature why doesn t He just perform a lot more miracles when we pray for them so that we won t have to suffer Why did God make the natural world imperfect in the first place Wouldn t it have been better to create us in a world without suffering without challenge need and self sacrifice Father Spitzer not only addresses the perplexing questions associated with suffering but he teaches us how to suffer well He points out some of the most common errors we make in interpreting God s motives for and alleviation of suffering He explains why suffering in combination with love is one of the most powerful motivating agents for personal cultural and societal development Suffering and love are inextricably bound up with one another on the highest levels of human meaning

What Satan Doesn't Want you to Know Felix Wantang, 2022-06-02 This book reveals the limitations of Satan how to resist him and the tools that you need to spiritually draw closer to God through Jesus Christ When you read this book you will come to understand the crafty schemes that Satan uses to operate in the world and why you should never be afraid of him This book will help you look at Satan through the eyes of Jesus Christ and come to the realization that Satan is afraid of humanity In life in order to fight and successfully defeat your enemies you must first understand your enemies and their limitations You must use weapons capable of destroying the forces of your enemies otherwise you will be fighting a lost battle Jesus Christ is the light of God in the garden of Eden Satan disguised himself when he deceived Eve because he knew the strength and weakness of Eve he also knew that to destroy Adam you must go through Eve Adam and Eve on the other hand were oblivious of Satan s true identity strength and limitations which explains why they failed and subsequently gave birth to the sins of the world In the wilderness Satan did not try to disguise himself when he tempted Jesus Christ because Jesus was cognizant of Satan s true identity limitations his source of strength and what it takes to humiliate or resist him Jesus knew exactly when and how to tell Satan to back off When the giant Goliath attacked the Israelites the young David with no warfare experience decided to confront Goliath because he knew and understood the limitations of the giant From a supernatural standpoint David knew that nothing is more powerful than the true living God The truth is that Satan doesn t want you to know that he is vulnerable inferior to you and afraid of humanity he also doesn t want you to know that he is fighting a lost battle God has given you everything you need to resist and humiliate Satan because the battle was fought on the cross and Jesus Christ has overcome the world I have told you these things so that in me you may have peace In this world you will have trouble But take heart I have overcome the world John 16:33 When you read this book you will come to the conclusion that Satan is afraid of you Jesus loves you

This book is a continuation of my first effort *The Road to Restoration* As I continued to write God led me to an understanding of Paul s conversion that made this whole project worthwhile As a Pharisee Paul came to his encounter with the risen Christ with a saved mind set that was sacred to him as it was to all Pharisees Years later Paul writes in Romans and Galatians about being a child of the promise of salvation His conversion was therefore from believing he was saved possessing salvation to being possessed by the hope and promise of salvation and looking forward to that moment of reward resurrection and the fulfilment of the promise God made to Abraham at Christ s Second Coming I never had a sense of having been saved so It was easy for me to see myself like Paul living in the light of the hope and promise of salvation It was also easy to see the people around me with their sacred saved mind set being in the same darkness Paul was in before his encounter with Christ This is the conversion that most in our culture desperately need to have today Living in the light of the promise of salvation rather than in the darkness of the possession of salvation Paul details his conversion very vividly in Titus 3 3 7 read NIV He also tells us that this is the foundation of his faith in Titus 1 2 NIV prior to 2011 I hope as you read you will see how this evolved in my head as I did not know the end at the beginning I did not work from an outline and only wrote as I was being led by the Spirit **Cataclysm: The Legends of Thalaria** Lore Casta Pendragon,2023-11-27
