Pushtu Made Easy Zain-ul-Abdin Khan Abid, 2001 Grammar and Vocabulary of Waziri Pashto John Gordon Lorimer, 1902 Language Policy and Language Conflict in Afghanistan and Its Neighbors Harold Schiffman, 2011-12-09

The book was co edited by Brian Spooner Professor of Anthropology at the University of Pennsylvania Language policy in Central Asia Afghanistan and the immediately surrounding neighboring countries has a long and varied history The Iranian revolution of 1978 the collapse of the Soviet Union in 1991 and the ongoing conflict in Afghanistan since 2001 have left the area in a state of flux This volume gives a better picture about what is official and explicit what is not official but implicit or general practice and what the likely future developments might be It is very clear that multilingualism whether it involves Persian Russian or English in addition to other languages not only has long been a part of the scene but will probably continue to be so
