## **Putnik Po Vselennym:**

**Maximilian Voloshin and the Russian Literary Circle** Barbara Walker, 2004-12-14 Barbara Walker examines the Russian literary circle a feature of Russian intellectual and cultural life from tsarist times into the early Soviet period through the life story of one of its liveliest and most adored figures the poet Maximilian Voloshin 1877 1932 From 1911 until his death Voloshin led a circle in the Crimean village of Koktebel that was a haven for such literary luminaries as Marina Tsvetaeva Nikolai Gumilev and Osip Mandelstam Drawing upon the anthropological theories of Victor Turner Walker depicts the literary circle of late Imperial Russia as a contradictory mix of idealism and communitas on the one hand and traditional Russian patterns of patronage and networking on the other While detailing the colorful history of Voloshinov's circle in the pre and postrevolutionary decades the book demonstrates that the literary circle and its leaders played a key role in integrating the intelligentsia into the emerging ethos of the Soviet state **A History of Russian Symbolism** Avril

Pyman, 2006-03-09 This book is the first detailed history of the Russian Symbolist movement from its initial hostile reception as a symptom of European decadence to its absorption into the mainstream of Russian literature and eventual disintegration It focuses on the two generations of writers whose work served as the seedbed of Existentialism in thought and of Modernism in prose and the performing arts and reassesses their achievements in the light of modern research At the centre of the study are the texts themselves with prose quoted in English translation and poetry given in the original Russian with prose translations There is a valuable bibliography of primary sources and an extensive chronological appendix This book will fill a long felt gap and will be invaluable to students and teachers of Russian and comparative literature Symbolism Modernism and pre revolutionary Russian culture **Reference Guide to Russian Literature** Neil Cornwell, 2013-12-02 First

Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **Maxim Gorky** Cynthia Marsh, 2006 Maxim Gorky was dubbed the father of socialist realism in the Soviet period but he had forged his career as an internationally known novelist and dramatist some three or more decades earlier Posing questions that Soviet critics found difficult to confront the author examines the effects of exile and religion on the content and form of the plays as well as the role played by women and the personal and political implications of motherhood All sixteen of Gorky's published plays are covered and the book explores whether this body of work has themes and styles to unify it While conflict is central to the core political themes and also infiltrates many aspects of the dramatic style cartoonish and grotesque other less expected themes and styles emerge Viewing the post revolutionary plays as a development of earlier work leads to a question rarely posed are the plays written by Gorky in the process of defining the new Party inspired socialist realism in fact less about socialist realist issues of conformity and more about Gorky's own painful life experience And what is equally under the microscope is a search for the monumental style frequently associated with socialist realist theatre the proposed origins

of the spatial grandeur in Gorky's plays come as a surprise      **The Silver Age in Russian Literature** John Elsworth, 1992-12-13 This volume consists of ten essays by scholars from the Soviet Union the United States and New Zealand on aspects of Russian literature of the late nineteenth and early twentieth century With the exception of Gorky all the authors considered belong to one or another branch of the Modernist movement They include Ivan Konevskoi who died tragically young in 1901 the poets Maksimilian Voloshin Viacheslav Ivanov and Benedikt Livshits and the prose writers Fedor Sologub Andrei Belyi and Evgenii Zamiatin      **Maximilian Voloshin's House of the Poet** Barbara Brigitte Walker, 1994
