Turn Your Worry Around Joe Carter,2018-08-15 God promises to take care of the needs that we have We need to understand that when we worry we are failing to trust in a dependable and a good God for our basic needs What a bad witness to the world it is when Christian people worry Sometimes we convince ourselves that we trust in the Lord with our whole heart but when push comes to shove we don t really trust Him It is easy for us to say at times I fully depend on God However it becomes a little bit more difficult when times are slightly rough It becomes a little more difficult when we do not know how we re going to pay our bills So what do we do We worry Moses is a great example of how worry can gripe us even while we are standing in the very presence of God It is so important for us as the children of God to keep our hearts and minds washed in the blood of the lamb and have the Word of God written on the tablets of our

hearts so when God speaks we receive it with gladness and act on it with boldness Truly seeing the world through God's eyes is another piece of the puzzle to turn our worry around A big question that we all need to answer is do we really see the world around us through God's eyes or our own eyes You see everything in life begins and ends with Jesus Christ When we accept Jesus into our hearts we then have the access to all the benefits that this relationship brings and one of those great gifts is his peace Isaiah 53:5 says He was wounded for our transgressions and bruised for our iniquities and the chastisement of our peace was on him and by his stripes we are healed
