Putting Life Together Musings For The Modern Woman:

Putting Life Together Guin Tuckett Stemmler, 1987 **St. Louis Commerce**, 1987 New Books on Women and Feminism, 1988 Press Woman, 1988 Discipliana, 1986 **The Woman's Book**, 1894 The eleven authors who contributed essays to this book on women in business education and the professions reflect the changing attitudes towards women at the end of the 19th century Genre and Women's Life Writing in Early Modern England Michelle M. Dowd, Julie A. Eckerle, 2016-04-15 By taking account of the ways in which early modern women made use of formal and generic structures to constitute themselves in writing the essays collected here interrogate the discursive contours of gendered identity in sixteenth and seventeenth century England The contributors explore how generic choice mixture and revision influence narrative constructions of the female self in early modern England Collectively they situate women's life writings within the broader textual culture of early modern England while maintaining a focus on the particular rhetorical devices and narrative structures that comprise individual texts Reconsidering women's life writing in light of recent critical trends most notably historical formalism this volume produces both new readings of early modern texts such as Margaret Cavendish's autobiography and the diary of Anne Clifford and a new understanding of the complex relationships between literary forms and early modern women's selves This volume engages with new critical methods to make innovative connections between canonical and non canonical writing in so doing it helps to shape the future of scholarship on early modern women

Masculinity and Sexuality in Modern Mexico Víctor M. Macías-González, Anne Rubenstein, 2012-08-31 In *Masculinity and Sexuality in Modern Mexico* historians and anthropologists explain how evolving notions of the meaning and practice of manhood have shaped Mexican history In essays that range from Texas to Oaxaca and from the 1880s to the present contributors write about file clerks and movie stars wealthy world travelers and ordinary people whose adventures were confined to a bar in the middle of town The Mexicans we meet in these essays lived out their identities through extraordinary events committing terrible crimes writing world famous songs and ruling the nation but also in everyday activities like falling in love raising families getting dressed and going to the movies Thus these essays in the history of masculinity connect the major topics of Mexican political history since 1880 to the history of daily life Part of the *Di logos* Series of Latin American Studies *The Cumulative Book Index*, 1989 A world list of books in the English language American Book Publishing Record, 1987 Reattachment Theory Lee Wallace, 2020-05-01 In *Reattachment Theory* Lee Wallace argues that homosexuality far from being the threat to traditional marriage that same sex marriage opponents have asserted is so integral to its reimagining that all marriage is gay marriage Drawing on the history of marriage Stanley Cavell's analysis of Hollywood comedies of remarriage and readings of recent gay and lesbian films Wallace shows that queer experiments in domesticity have reshaped the affective and erotic horizons of heterosexual marriage and its defining principles fidelity exclusivity and endurance Wallace analyzes a series of films Dorothy Arzner's *Craig's Wife* 1936 Tom Ford's *A Single Man*
