angels explores their purpose and shows you can engage their help and protection over you and your family **Unzipped!** Sunday Antai,2011 Hardly are there any issues in life that are more emotive and contentious than religion Part of the reason for this is that rarely do any two religions agree on most of their teachings about deity and humanity there is so much divisiveness and mutual distrust Christianity is not spared these mutual acrimony and disaffection even within itself Thus there are inside it such characterizations as Orthodox Pentecostals Evangelicals etc with each claiming superiority of spirituality over and above one another and citing portions of the Bible to argue its positions But this has erected confusion in the minds of many who find it difficult to dissect what are right or wrong doctrines in the face of one group of Christians accepting certain practices or beliefs while another group condemns the same things Unzipped traces these doctrinal crises in part to misrepresentation of the two parts of the Bible Old and New Testaments submitting that biblical Christianity is all about what Christ and His disciples taught and practiced In other words it posits that if Christ and His apostles did not teach or practice a doctrine Christians do not have to bother about it The book challenges all who call on the name of the Lord Jesus Christ to look up to and live for Him as the author and finisher of their faith It therefore contends that biblical Christianity as opposed to its religious version does not admit of syncretism [A Brief Survey of the Patterns of Picking and Mixing \(Syncretism\) in Nigerian Christianity](#) Nkem Emeghara Udum Adah,2016-02-23 The study presents to every searching mind a brief history of the coming of Christianity to Nigeria that began in the 1840s and goes on to examine brief attempts at making the faith attractive and acceptable to the people This practice of making the faith acceptable to the people came to a head after the First World War following the failure of the white mans medicine to provide solution to the influenza epidemic that was close to wiping out the population of the southern part of the country The natives resorted to mixing Christianity with the faith of their forefathers This accounts for the emergence of the prayer groups known as the Aladura and from then a culture of picking and mixing continued until it became rife and eventually became a major feature of the Christianity in Nigeria The group included here are representative of the major classification of these groups and practices Included are the el messiah church Reformed Ogboni Fraternity indigenisation Godianism political emancipation Holy Aruosa political cum religious emancipation and the New Pentecostals and Charismatic movements of today who are more attracted by power and miracles The author warns that evangelical Christianity must be protected and that if the trend of picking and mixing is not checked only the heavens know how much deeper the fabric of Christianity would be destroyed **SPIRITUAL WARFARE: A Struggle for Truth** Russell Sharrock,2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critics spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare **The Truth About Angels** Terry Law,2013-07-29 Christians and non Christians alike are encountering angelic beings more than ever but what does Scripture say about the appearance of angels In this revision of his eye opening book Terry Law presents fascinating biblical truths about both God s angels and

evil angels while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings Exploring many real life stories of experiences with angels Law believes there is an increase in angelic activity because the world is on the brink of the greatest revival and the most cataclysmic events in the history of mankind The Truth About Angels will answer What are angels and where did they come from Are angels appearing more frequently around the world Do you have a guardian angel Are angels involved in healings or the working of miracles How do angels and the Holy Spirit work together *Angelic Allies* Lenika Scott,2019-10-15 Open your eyes to the unseen realm of your angel allies God is working in our lives every day In the good the bad and the seemingly ordinary moments of life there is great supernatural activity taking place just beyond the veil of what natural eyes can see Angels are intervening in your life under the direction of the Lord of Hosts *Angels* George J.
