As the war rages in the Pacific, naval lieutenant Peter Duluth is ecstatic to make port and spend time with his ladylove Iris. They have little luck finding a room until a brassy blond offers them her hotel suite out of what seems like pure charity. And that's when Peter's shore leave starts going sideways. While unwinding in a steam room, Peter's uniform is stolen. Then Iris is mistaken several times for her cousin, a local vamp with a very unusual coterie of friends. And things hit a bloody head when Peter's missing uniform ends up implicating him in murder. Now with both of their identities in flux, Peter and Iris must navigate their way through the fog-shrouded alleys of the City by the Bay if they're going to learn just what kind of mess they're caught up in and if they can get out of it alive.
