Puzzleheaded Girl:

The Puzzleheaded Girl Christina Stead, 1968 *The Puzzleheaded Girl* Christina Stead, 1967 **Christina Stead** Diana Brydon, 1987-01-01 Stead's novels have gained growing readership and critical attention in recent years This feminist reading of the life and work of Christina Stead focuses on her characters and themes that question established assumptions about gender and class relations and the aesthetic values they support *"The" Puzzleheaded Girl* Christina Stead, 1968

Enigmatic Christina Stead Teresa Petersen, 2016-10-18 This is a remarkably stimulating new approach to Stead's fiction and to her psyche In this very strong reading often against the grain the author illuminates Stead's fiction in a way that has never been done before Chris Wallace Crabbe Christina Stead is arguably Australia's greatest female novelist Born and educated in Sydney she spent the greater part of her life abroad having left in 1928 to satisfy a wandering impulse The most famous of her thirteen novels *The Man Who Loved Children* 1940 is an acknowledged masterpiece of twentieth century fiction Stead's concentrated emotional intensity her interest in extraordinary passion and her keen sense of fantasy and the grotesque have led to comparisons with D H Lawrence Dostoevsky and Dickens Immediately striking are her strong imaginative power and range her verbal brilliance and her acute penetration of character The enigma identified and skilfully unravelled by Teresa Petersen surprisingly has hitherto been unexamined Overtly Stead presents the heterosexual norm as the paradigm par excellence yet she portrays no happy heterosexual relationships or marriages only miserable compromises More covertly lesbian eroticism pervades her fiction Usually shrouded in silence it imperceptibly surfaces and disappears sliding in and out of the narrative Petersen argues compellingly that although Stead's texts appear on the surface to be saturated with the heterosexual norm this is a fa ade that masks both lesbian and male homosexual desire By elucidating Stead's subtextual preoccupation with homosexuality Petersen challenges conventional scholarship and shifts our view of both Stead's work and her life **A Bitter Magic** Roderick Townley, 2015-11-10 A deliciously quirky tale of secrets magic and illusions Everything is in place the packed theater the Amazing Thummel and center stage the magician's mysterious assistant Some have called her the most beautiful woman in Europe Then in a swirl of light she vanishes An astounding illusion but she never reappears All that remains are a bloodstained white scarf and her daughter Cisley who lives in a glass castle and walks her pet lobster each morning by the sea Enter Cole a rambunctious boy from town and Cisley's first true friend Together they hunt for clues to her mother's disappearance They puzzle over broken mirrors ever shifting labyrinths a closet full of whispering ball gowns and a fatal quest for a pure black rose Roderic Townley spins a deliciously spooky tale of one girl's journey to discover what's real and what is simply an illusion **A Fence Around the Cuckoo** Ruth
