**Gordon Hobson**

## **Q School Confidential Inside Golfs Cruellest Tournament:**

Q School Confidential David Gould,2025-06-25 In 1999 the PGA TOUR Qualifying Tournament known to many as Q School found itself sitting on 35 years of unique history Q School Confidential chronicles this tournament s deep dense story of heartbreak black humor back room politics and magnificent golf under dire circumstances Using the 1998 PGA TOUR Qualifying School finals as his backdrop golf writer David Gould recounts for the first time ever the history of the pro tour s annual qualifier with revealing anecdotes about raw rookies aging veterans and every dreamer in between The vintage stories in the Q School s near and distant past tell of emotional and physical breakdown and courage as well under pressure Jim Carter s self confessed choke stories of 1990 and 1992 Mark McCumber s recurring lost scorecard nightmare Peter Jacobsen s ordeal with a cheater on the Mexican border Jim McLean s bizarre arrest on the qualifier s eve and Mac O Grady s violent celebration of his long awaited Q School success The players captured in these pages turn white with panic vomit their breakfast sleep in their cars practice on interstate ranges lose golf shoes forget contact lenses and make fateful decisions based on faulty information Sifting back through several eras Gould explains the innocent aims of the first Q Schools and uncovers the tournament s pivotal role in the momentous split up of the PGA and the PGA TOUR He examines the difficult question of how professional golf should go about bringing in new players and letting former players regain their privileges In the voices of forgotten or never known tour pros from the 1970s he narrates the frustrating rabbit era that Q School helped create and revisits the infamous breakaway Q School of 1968 In notes that accompany this book s exclusive year by year scoring records the author picks out hidden turning points bits of trivia and strange coincidences in the lives of tour players past and present These profiles and snapshots of the earliest Q School survivors and the most recent graduates as well are woven together in a warm engaging and insightful narrative Q School Confidential sometimes bleak sometimes triumphant provides the first and only inside look at a cruel and unusual tournament that many consider golf s toughest test of all

**Making the Cut** John A. Fortunato,2019-01-14 The success of the PGA Tour lies in the compelling stories of the individual quests for achievement making the tournament cut winning a tournament qualifying for the FedEx Cup Playoffs and the ultimate challenge of making it onto the Tour where victory is often determined by a single stroke Based on interviews with more than twenty professional golfers this book provides new insight into the PGA Tour system the events affecting tournament outcomes and the career changing opportunities that result

Historical Dictionary of Golf Bill Mallon,Randon Jerris,2011-01-21 Golf has been called the greatest of all games but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled Traditional teaching holds that golf originated in Scotland around the 15th century However there is historical evidence of games similar to golf being played in the low countries of Europe back in the 13th century Over the many centuries of golf s evolution the balls used have changed greatly as have the clubs the holes the courses and the entire game itself The Historical Dictionary of Golf presents a comprehensive history of the

game through a chronology an introductory essay a bibliography photos and over 300 cross referenced dictionary entries on places teams terminology and people including Arnold Palmer Greg Norman Lee Trevino Jack Nicklaus Annika Sorenstam Lorena Ochoa Phil Mickelson and of course Tiger Woods Appendixes of the members of the World Golf Hall of Fame the Major Championships of Golf the International Team Events and the Professional Tour Awards are also included *Swing Hard in Case You Hit It* Tom Stevens, Now a fair question is Why should I read this book Well there isn't a book that I know of that provides advice on how to start playing the game of golf from the consumer's point of view I want to share experiences 40 years of playing on how I started and what to look for regarding the cost of equipment the learning process the strange rule terminologies and other related subjects surrounded by humor *Real Golf* David Gould, 2012-11-06 Golf is a game that challenges its players to excellence While private golf lessons and long stints at golf school may work wonders David Gould has a better answer In *Real Golf* the author builds on 17 years of playing the game with PGA teaching professionals The result is a meat and potatoes instruction book for the experienced nonexpert weekend or after work golfer On every page *Real Golf* provides instant assistance giving golfers a virtual partner at the ready More than 120 tips lessons and fixes for faults give readers the tools for self diagnosis and solutions for curing the slice and hook getting out of trouble saving strokes around the green and more Calvin Peete Gordon Hobson, 2024-02-06 The first ever biography of an overlooked PGA star and one of the best Black golfers in history His story is unprecedented in the world of golf Born to a family of migrant laborers Calvin Peete dropped out of school in the eighth grade went to work picking crops first swung a golf club at the age of 23 and rose to the top of the PGA In *Calvin Peete Golf's Forgotten Star* Gordon Hobson tells for the first time Peete's incredible story Hobson recounts how when Peete joined the lily white PGA tour in 1976 he stood out from the competition in more ways than one Peete wasn't raised in country clubs and didn't learn the game at prestigious golf universities He sported a huge Fu Manchu cowboy boots and had diamonds embedded in his teeth Peete had a permanently bent left elbow and practiced endless hours in a public park to develop one of the most accurate swings in the history of golf He endured years of futility and despair but eventually he emerged as the best player on the Tour from 1982-86 Calvin Peete's story is inspiring but it also reveals the struggles many Black golfers endured even after the Caucasian only clause was removed from the PGA's bylaws He may have won twelve championships played on the US Ryder Cup team twice and won the prestigious Vardon Award but the road to success wasn't easy Calvin Peete *Golf's Forgotten Star* shows how even without the advantages some people are born into one can find success through hard work determination and fortitude **Esquire**, 2000 *The Publishers Weekly*, 1999 Library Journal, 1999-10 **Books in Print Supplement**, 2002 *The Wall Street Journal*, 2007 Tales from Q School John Feinstein, 2007-05-02 It is the tournament that separates champions from mortals It is the starting point for the careers of future legends and can be the final stop on the down escalator for fading stars The annual PGA Tour Qualifying Tournament is one of the most grueling competitions in any sport Every fall veterans

and talented hopefuls sweat through six rounds of hell at Q school as the tournament is universally known to get a shot at the PGA Tour vying for the 30 slots available The grim reality If you don't make it through Q school you're not on the PGA tour You're out And those who make it to the six-day finals are the lucky ones hundreds more players fail to get through the equally grueling first two stages of the event John Feinstein tells the story of the players who compete for these coveted positions in the 2005 Q school as only he can With arresting accounts from the players established winners rising stars the defeated and the endlessly hopeful America's favorite sportswriter unearths the inside story behind the PGA Tour's brutal all-or-nothing competition

**The Golfer's Code** David Gould, 1993-04 The unwritten code of golf conduct and etiquette is just as important in fact more important than a long drive or an accurate putt The Golfer's Code explains the proper protocol for handling many kinds of situations with grace and good sense

*Cruel School* Ross Biddiscombe, Bill Hazlegrove, 2015-12-07 Q School is one of the most eye-popping head-spinning nerve-tingling sporting tests ever invented golfers who succeed there can shoot to the very top echelon while those who crash and burn may never recover It's not a place for the faint-hearted and to emerge triumphant deserves a badge of courage The Q School graduates roll of honour dates back to 1976 with Woosnam and then Lyle it includes Montgomerie and Olazabal and has moved on to the likes of Westwood Harrington Rose and Poulter who needed an astonishing four visits before he got through They all became superstars yet still acknowledge the struggle that defines the School Almost 1 000 players start out at Q School every year hunting for a European Tour Card that opens the door to the possibility of millions of euros in prize money and a jet set lifestyle but success is exceptional because only a few Cards are available Now after exploring all 40 years of this wonderfully compelling golf tournament and interviewing hundreds of pros best-selling author Ross Biddiscombe has constructed a remarkable Q School volume revisiting his past writings and adding plenty of insightful new material Q School is an ultimate challenge for golfers and a thrill fest for fans it makes this book a must read for golf devotees

Open John Feinstein, 2004-04-12 John Feinstein whom the Boston Globe calls the best writer of sports books in America today captures the fiercest four days in golf as no other writer could Chronicling the U S Open as it was played for the first time in history on a true public golf course and one of the most challenging courses in the country only one player Tiger Woods finished under par at Bethpage Black Feinstein lifts the mystery shrouding golf's most celebrated event and takes the reader through every shot every trap every thorny hole and every bitter rivalry of golf's greatest tournament

*Golf on the Edge* Ross Biddiscombe, 2008-06 The story of twelve months in the lives of seven professional golfers who share one dream to play full time on the PGA European Tour

**Duel in the Sun** Michael Corcoran, 2005-07-01 On its 25th anniversary comes a riveting book that sweeps readers back to what has been called the most exciting and important moment in modern golf history the 1977 British Open where a young talent named Tom Watson stared down and defeated the legendary Jack Nicklaus Among those who know the game the Open is generally regarded as golf's ultimate test of mettle focus and skill and in 1977 it became the site of one of the most dramatic events in

sports history The torch of supremacy was passed that year when Tom Watson laid siege to Jack Nicklaus's air of invincibility defeating the original Great One by a stroke in a ferocious duel spanning the Open's final 36 holes Shaping the natural drama of this seminal moment into sharp expertly paced writing that crackles like the best adventure fiction author Michael Corcoran charts a rich history of the Open before moving on to a fascinating pair of in depth colourful portraits of Nicklaus and Watson *Duel in the Sun* draws on a wide range of interviews with the stars fellow competitors caddies commentators and spectators to tell a magnificent story of the rise of a fiercely driven new hero and the poignant grace of a wise champion welcoming him to the summit of the game

*The Scorecard Always Lies* Chris Lewis, 2007-05-15 After Winged Foot Hank Haney Woods coach spoke frankly with Tiger about stepping it up in terms of practice time and getting refocused as he later put it It wasn't exactly a riot act but Tiger needed something to reawaken him as anyone would after losing a parent They wasted little time getting back to work The following week they spent long hours on Isleworth's course and hit plenty of range balls In the weight room Woods rechecked the muscles that on sticky summer days with his hairless arms sweaty and his shirt clinging to his torso made him look like something produced by Mattel a Tiger Woods action figure He was also spotted that week running windsprints on the driving range while wearing a sixty pound weighted vest

Getting the books **Q School Confidential Inside Golfs Cruellest Tournament** now is not type of inspiring means. You could not lonesome going following ebook addition or library or borrowing from your contacts to approach them. This is an extremely simple means to specifically get guide by on-line.
